Frequently Asked Questions

What time can we access the venue?

On the wedding day the venue is yours from 10:30am until 12pm (bar service and music to finish at 11:30pm).

Will there be other weddings taking place on our wedding day?

As a venue, we will only ever hold one wedding at a time ensuring you have full exclusivity of the Mansion House and our team can be fully committed to your special day.

Can we get married at Marden Park Mansion?

We are fortunate to have two options available for couples; civil ceremony or a chapel wedding.

We are considering a civil ceremony wedding

We are an approved venue for civil ceremonies. You will need to contact Leatherhead Registration Service (telephone 01372 832806) who will provide a Registrar for a civil ceremony at Woldingham. It is vital to contact the service as soon as we have established provisional dates for your wedding as they get very busy and popular wedding times are booked quickly. Sadly, we are not able to organise this on your behalf as the Registrar will only deal with the couple themselves. We cannot take responsibility for any failure to have a Registrar for a confirmed booking with us. The Registrar will arrive 30 minutes before your ceremony and spend 15 minutes with each of you on your own before the ceremony starts. It is imperative you are not late as Registrars will not wait for late couples.

Civil ceremony duration

Marriage ceremonies usually last around 30 minutes, depending on your choice of readings and music. For a civil ceremony your selected music and readings must not be of a religious nature. You will need to bring your selected reading and/or music with you. We shall play your music at the appropriate times during the ceremony, and this should be provided on a CD, iPhone/iPod.

Can we get married in the Chapel?

We are very fortunate to have a beautiful chapel within our grounds. You may marry in our chapel if you or your partner are of the Catholic faith.

You do not need to live within our parish to get married in the chapel, however we would strongly recommend your attendance at our services. If you do not live within the parish, you will be required to arrange for the pre-nuptial enquiry forms filled in by your local parish priest who would apply for a dispensation from the Diocese to allow the marriage to take place which is easy. This diocese (Arundel & Brighton) require a minimum of 12 months' notice to get married, other dioceses require 6 months' notice.

We would always suggest asking your local parish priest to conduct your marriage service in the first instance but if they are not available, we can suggest a few local priests. The chapel comes under the diocese for Arundel and Brighton. The parish is The Sacred Heart Caterham. The exact wording for your place of marriage is: Woldingham School Chapel. All copyright music reproduced in the booklet is administered by CCLI Licence number 30615 and Calamus Licence No 2237 held by Woldingham school.

Are you able to provide an organist for chapel ceremonies?

Although we cannot provide an organist for you, we are able to provide contact details for a few local organists.

How many guests can we invite?

For a civil ceremony we are licensed for a maximum of 130 guests. For a chapel wedding we can accommodate up to 200 guests. For the wedding breakfast we can accommodate 130 guests with a total of 250 for the evening reception. If you are not getting married at Marden Park Mansion but would like to hold your wedding breakfast at our venue we can accommodate 200 guests in several rooms.

Is there a preferred running order for our wedding day?

We have a variety of running orders; some couples like to get married early in the day and some prefer to wait until later and we can provide you with some examples to help you plan your day.

Can we use our own caterers?

The catering is a key element of your wedding day and we are passionate about delivering all our events to a an extremely high standard. Our excellent team of in-house award-winning chefs freshly prepare all food served.

Do you provide a menu tasting?

Several months prior to your wedding you will be invited for a menu tasting which is a great opportunity for you to discuss your preferred choices with our caterers. Please note that we can allow a maximum of 2 guests for this appointment.

Can we supplier our own drinks for the wedding?

All beverages must be purchased from our venue and our drinks packages are available to purchase in advance; our bar will open to guests after the wedding breakfast.

Can we set up a tab for drinks?

You can set up a tab for drinks and we can let you know when you are reaching your limit throughout the day so that you can extend it should you wish to do so. Bar tabs are at standard bar prices and payment will need to be taken in advance.

Can we get hot dinks from the bar?

Hot drinks are not readily available; however, this service can be provided if advance notice is given

Do you provide chair covers?

Our chairs are standard red banqueting chairs. We do not provide, or fit chair covers but can recommend a local supplier. Chair covers can be delivered on the morning of the wedding and collected the next day.

Can we have a different style of chair?

You may hire your own chairs, provided that they are delivered to the room (not a kerbside delivery) during the morning of the wedding and collected early the following morning; please note that we are unable to accept delivery before the day of the wedding. We can provide you with a list of suppliers on request.

Is the venue accessible for wheelchairs?

Our venue complies with all government regulations and is suitable for wheelchairs users.

Is there a cloakroom?

We will provide you with coat rails for your guests but if you would like them manned then there would be a charge for the staff member.

Is WIFI access available?

We do have internet access, we will be happy to provide the information to your guests upon request.

Do you have a cake stand and knife?

We offer a silver cake knife and a silver cake stand with a diameter of 16 inches at no extra charge, however your cake supplier may wish to bring their own. Due to guests' allergens, your cake supplier will need to provide a list of ingredients. It is recommended that your cake be delivered on the morning of your wedding from 9am.

Can you supply high chairs for a babies?

We have 5 high chairs available that can be used for your smaller guests.

Can we have confetti?

Confetti can be used to celebrate your day however we do ask that this be real or biodegradable confetti.

Can we decorate the venue?

The venue is a blank canvas, so you can drop tables plans, name cards, favours etc the day before your wedding at a pre-agreed time. The venue generally takes 2-3 hours to set up depending on how many guests you have. We are happy to dress the venue for you alternatively you can dress the venue on the morning of your wedding. Staples, pins, Sellotape or Blu-Tack must not be attached to any of the walls, paintwork or floors but pre-existing hooks may be used. Hanging items from our ceiling is not permitted and any draping should be free-standing. We strongly recommend that you take as much as you can with you when you leave at the end of the evening but if there is too much then we can arrange a time the following day for you to collect the rest.

Do you have a PA system for music to be played?

We provide a small pa system for your wedding ceremony and wedding breakfast and microphones will be provided for your speeches.

Can you provide an easel for our table plan?

Yes, we have 3 heavy duty easels available that can hold up to A1 size.

Can our photographer come to Marden Park Mansion to have a look around before our day?

Yes of course, but please make an appointment in advance of the photographer's visit.

Are candles permitted within the venue?

Electronic candles and tea lights are permitted but naked flames are not to be used. Smoke machines are also not be permitted due to smoke sensors at the venue.

Can we use our own DJ or Band?

You can use any supplier providing they provide a copy of their public liability insurance and PAT certificates for any electrical items they bring. Additionally, we may ask for further risk assessments if this is deemed necessary and dependent upon the nature of the entertainment. It's your day and we understand it's got to be perfect, so we are here to help if you need any recommendations or advice.

Can we have fireworks or Chinese lanterns?

Fireworks are permitted, and we would recommend that you use the 2 local companies included on our list of suppliers. We require adequate notification for the use of fireworks as prior notice to the surrounding farms with livestock would need to be given. We do not allow Chinese lanterns as the debris impacts on our residents and neighbours.

Our suppliers have requested we provide them with a meal, is this normal?

Most suppliers including photographers and bands often require a meal, so it is important to find out beforehand; we can provide a separate area and reduced cost menu.

Do you allow children at Marden Park Mansion?

Yes, we are happy to welcome children to our venue, but we do ask that they are always supervised as there is a small carp pond on site.

Is car parking available to my wedding guests?

We have ample car parking available for your guests to use on the day however, guests who leave their cars overnight, do so at their own risk. Please ensure all cars are removed by 10am the following morning out of respect and in readiness for the next wedding party.

Does your driveway allow for coaches and double decker buses?

Yes, many weddings have arranged for coaches and double decker buses to transport guests to and from our venue. We would ask you to make sure your coach company is aware of the height and width restrictions of the viaduct prior to booking.

Can you recommend a local carriage company for our guests?

As we are within a secluded area, mobile phone service can be intermittent at the best of times, so we would highly recommend booking taxis in advance. Catax cars can be contacted direct; Caterham office 01883 345 151, Warlingham office 01883 626 442 and Oxted office 01883 868 038. Uber can often be unreliable and leave your guests stranded.

Is there any accommodation or can you recommend any local hotels?

We are unable to provide accommodation at the venue itself, however, the surrounding area is full of excellent hotels and B&B's with price ranges to suit all budgets and we can provide a list of these on request.

What are your payment terms?

We require a 50% payment for venue hire to secure your date with the remaining 50% required 3 months prior to your wedding. Once final guest numbers have been confirmed, the catering balance is due 30 days prior to your wedding.

What is included in the venue hire cost?

We are pleased to confirm that the following is included the venue hire cost; wedding coordinator from start to finish on your special day, standard crockery, cutlery, glasses, white table linen, white napkins, tables and chairs, silver wedding cake stand and knife, small pa system

Our History

In 1671, Sir Robert Clayton Lord Mayor of London, purchased Marden Valley Park and built for himself an elegant country house.

He transformed the barren chalk downland into a beautiful landscaped deer park and created several plantations on the site.

"A remarkable instance of politeness of his Genius, and how far Nature may be improv'd by Art".

William Wilberforce, campaigner for the abolition of slavery, lived here for a period of time. In 1879, sadly the old house burnt down. The estate then passed through several generations of the Clayton family, until it sold in 1907 to a wealthy stockbroker, Sir Walpole Lloyd Greenwell.

In 1946 the mansion became the Convent of the Sacred Heart, a Catholic boarding school, however since 1985 it has been known as Woldingham School.
