TAKE TIME TO EXPLORE STUNNING GARDENS

Not just open green spaces, the enchanting grounds, overlooked by the magnificent hotel house, offer spectacular features with an abundance of beautiful surroundings.

An original 1920's Victorian stone walkway sits under an intricate pergola entwined with wisteria and clematis, leading the way to Aphrodite's Dome – a striking structure set on a beautifully tiled platform with an intricately designed dome roof and surrounded by marble ladies.

The glistening fountain, original Victorian summerhouse, orchard, tree swing and views across to Wales, offer additional backdrops for romantic photographs.

CREATE MEMORIES
TO LAST A LIFETIME

MAKE A WEEKEND OF IT

Your wedding is so much more than a day. It's creating forever lasting memories surrounded by the people you love, so why not extend it to a weekend?

Exclusive use the night before your wedding takes the pressure off the morning of your special day. Invite your closest friends and family to join you for the evening and enjoy building the excitement, before having a relaxing morning of leisurely breakfast and getting ready together in our beautiful suites or dressing room.

The beautifully maintained grounds are ideal on a sunny evening to entertain members of your party and our cosy lounge was made for enjoying a late-night drink in a relaxed and homely atmosphere.

Do ask us about our 'Add on package'.

YOUR WEDDING, YOUR WAY

THE NUPTIALS

Berwick is licensed to hold civil ceremonies for up to 100 guests in 'Mesopotamia' in The Mews, or outside in good weather.

Mesopotamia is a wonderfully bright room with lots of natural daylight, which can be decorated to your personal taste. The gardens offer peaceful, outdoor ceremonies with spectacular views across open fields and woodland.

Technology at Berwick ensures everyone can share your special day with you, even if they can't make it in-person.

Furry, four-legged guests are welcome to ceremonies too!

RELAX IN STYLE

TAKE A LOOK INSIDE

The interior of our stunning Victorian building reflects historical British luxury and comfort with a subtle Turkish twist. You'll find original wood panelling and open fires, a sweeping staircase and sparkling chandeliers. And that's just in the entrance hall!

The reception room is a wonderfully bright and airy room – floor-to-ceiling windows overlook the gardens and out towards the sparkling lights of Wales beyond. It flaunts characteristic features such as an old London bar, original fireplace and an ornate pulpit to stand at for speeches. Original wooden flooring creates a perfect dance floor for later in the celebrations. The cosy lounge was made for enjoying a quieter moment and alternative to dancing.
