Welcome!

Thank you for your interest in Ramster Hall. Ramster Hall is my much loved private family home, located outside the pretty village of Chiddingfold in the Surrey Hills.

The Long Hall dates back to 1604, in 1922 the property was bought by my great grandparents, my family are now the fourth generation of the family to run the house and we are delighted to host many happy wedding receptions, parties and events each year.

We can recommend some outstanding local suppliers, all hand selected to ensure they provide you with the best service possible on the day.

We really aim to make our weddings individual and special, part of our home becomes yours for the day.

There is nothing mass market about Ramster and as a family owned and run venue, you can be assured of a personal service, with attention given to every detail to ensure a magical day.

Do get in touch with any questions or come for a look around!
