

We are the Funk City Band. Hello!

We are a full time professional event and party band. There is duo, trio and up to 7-piece band for bigger parties. We are full time professionals and, as hopefully you'll find out, we bring the party!

Funk City bands.

They are all perfect for dancing with upbeat, fun and popular songs. We can even tailor our set list to your party's requests. (Just make a list of your favourite songs and send it to us. What we know from your list (its always about half- we know so many songs...) we can play live and then DJ with the rest) It's personal and brilliant and lasts all night.

They are all brilliant and perfect to get everyone dancing

All bands include:

- 3 x 40min Sets of LIVE band music in the evening.
- Dj for the entire night- before, during breaks and after.
- Lighting rig and full PA system (it looks and sounds ace!)
- Learning any song requests you may have.
- Public liability insurance and PAT test certificates.
- Double funk with everyone dancing like crazy to your favourite songs!

Audio demos

For just audio demos try this.

<https://soundcloud.com/funkcitypartyband> this is all LIVE so it's exactly what we sound like.

We have done shows for Val Kilmer, Microsoft, HSBC, Barclays Bank plus many more including many weddings and party events every year. We played our 450th Wedding party in March of 2017. And 8.5k other shows... Trust us. We got this :)

Songs and FUNK

The band specialise in classic, upbeat songs that everyone will love.

Classic artists like: Stevie Wonder, Lionel Richie, Jackson 5, Killers, Beatles, Whitney Houston, Blues brothers, Michael Jackson, Van Morrison, Motown, Commitments and even more modern acts like, Beyoncé, Kings of Leon, Rhianna, Ed Sheeran, Black Eyed Peas etc... from 60's to present day there is something for everyone and our approach is to stay up-beat and having people dance for the whole time. We love being entertaining and watchable. Also we can learn any song requests you may have. i.e. first dance or last dance.

Equipment:

We have everything you would need for the day. There's a PA system, microphones and professional lighting rig. It looks brilliant. We will provide DJ music for all the breaks before, after and in between. This means not having to hire a separate DJ and once we have started there are no gaps in music. Nice.

Please get in touch if you want to book something.
We will make your party incredible.

Warmest Rock,
Craig,
