

PERFECT PROMISES

Tanya Jones - Celebrant

THE HEART OF YOUR DAY

Your ceremony is at the heart of your day, so let me put you at the heart of your ceremony. Your story is unique, and your ceremony should be unique, too.

I love helping you to bring your dream ceremony to life - no rules, no rights or wrongs, just what is meaningful to you.

HOW I CAN HELP YOU

I'm here to guide you through the whole process, to explain everything you need to know about the ceremony and to answer any questions you may have.

Perhaps you already know the readings, music etc. you'd like to include but, if not, I can help you choose something right for you. And, if you'd like to write your own vows but don't know where to start - I can help with that, too!

Whatever you'd like to include in your ceremony, I'll help you make it happen.

HOW DOES IT WORK

Once we've had our initial chat, I'll send you a booking form, with a request that you pay the deposit within 7 days, so that your date is confirmed in my diary. (If you're using a wedding planner, then this may be done through them.)

When you have returned the form, and paid the deposit, we can start to plan your ceremony!

YOUR CEREMONY

This is where the fun starts! I'll send you a questionnaire, which is where you can tell me what you would and wouldn't like to include in your ceremony. It's where you can tell me your story, jot down your ideas and start to build your fantastic, unique ceremony. It's really good if you can complete it separately - this gives me some lovely stories and ideas to weave together into your very own ceremony - but, of course, it's absolutely fine if you'd rather complete it together.

Although each ceremony is different, they often follow a similar structure: a welcome, some amazing vows, and that fantastic moment at the end when you are introduced to your guests as a newly-married couple!

All the wonderful content of your ceremony - your story, any music, readings, symbolic rituals, or anything else you may like to include - will be chosen by you. Based on the information in your questionnaires, I'll put together a first draft, which I'll send to you around 8 weeks before your wedding, for amendment/approval. We will make as many changes as you like until you are completely happy and, before you know it, it will be your big day!

MY FEE INCLUDES

- An initial meeting to discuss your plans and ideas.
- A bespoke ceremony written just for you, including as many changes as you wish until it is completely perfect.
- Contact via email, phone or Skype to help with any queries prior to the big day.
- A further meeting/rehearsal closer to the date of the ceremony, if you would like.
- On the day, I will arrive a least an hour beforehand to liaise with the venue, musicians, photographer etc.
- A Celebration of Marriage certificate (not a legal document).
- A beautiful keepsake copy of your ceremony script.

IMPORTANT STUFF

- The ceremony is NOT legally binding. You will need to have a civil registration at some stage in order to be legally married, and most couples choose to do this a day or so before their unique ceremony.
- Once a fee has been agreed, please ensure that you send a deposit of 20% and the balance of the payment in accordance with the timescales shown on the booking form.
- Privacy Policy (Data Protection). You will only be asked for personal information which is relevant to your ceremony. Any personal information provided will be used only by me and exclusively in order to plan and deliver your ceremony. The information will not be shared with anyone else without your consent. All your information will be encrypted and securely stored on a password-protected computer. All information supplied will be destroyed within 7days following your ceremony.

SOME HAPPY COUPLES

Just wanted to say thanks for such a lovely ceremony. (Extra-special thanks for calming me down before we went in!)

Our favourite part of the day was the ceremony - it was beautiful.

Maxine and Cheryl

Tanya was very easy to work with and made us feel at ease throughout the process of writing and reviewing the vows and the ceremony. Tanya is a warm and lovely person, she speaks in a gentle yet assured way. We would highly recommend her as a wedding celebrant.

Laura and James

Tanya gave us the perfect ceremony, and it was everything we had hoped for. All our guests commented on how loving and personal our ceremony was, how lovely Tanya was and how it felt like she really knew us - she really understood what we wanted. Thank you, Tanya, it really was perfect!
