OUR VENUE

Doxford Barns is characterised by 18th century buildings set amongst acres of rolling countryside to form the most picturesque and magnificent venue for your special day.

Within the Threshing Hall, we have created a romantic setting for barn ceremonies, by characterising the original oak frames and stone walls with mood lighting, to create a stunning, yet calming ambience for you to say your vows in front of up to 160 guests.

The main celebrations take place in The Great Barn, which is cocooned around a spectacular oak frame and is also beautifully up lit by mood lighting. The Great Barn can host up to 180 guests for your wedding breakfast and up to 250 guests for your evening reception.

The Cart Shed is our beautifully renovated 18th Century stone reception room, which creates the perfect area for enjoying canapés and welcome drinks. The Cart Shed is also an attractive option for hosting more intimate ceremonies and wedding breakfasts. Adjoining the Cart Shed is our fully stocked bar, the Turnbull Bar, which is where we serve the best local ales, wines and spirits. Leading on from the Cart Shed is the Forge, a tranquil lounge containing original bellows and fireplace that creates the perfect area for you and your guests to relax in comfort.

CEREMONIES

Whether you've dreamt of saying your wedding vows in a romantic barn or English garden, we have all the options open to you.

The Threshing Hall, Cart Shed, Great Barn and Farmhouse Lawn are all licensed for civil ceremonies.

The Threshing Hall is our 18th century oak and stone barn, with the capacity for 160 guests.

For an intimate ceremony, the Cart Shed features exposed oak beams with a fireplace and leads through to the Forge.

The Great Barn overlooks rolling acres of countryside and is adorned with solid oak beams and wooden flooring, with a capacity for 180 guests.

For outdoor ceremonies, the Farmhouse Lawn is set within our traditional English garden and takes place in front of the family farmhouse, with a capacity for 250 guests.

The abundant character of our venue gives you the freedom and creativity to embellish your ceremony as much or as little as you like, whether in the Threshing Hall, Cart Shed, Great Barn or Farmhouse Lawn.

THE THRESHING HALL

Our 18th century Threshing Hall is full of charming character and boasts original oak beams with hand-carved stone to create a truly unique and rustic setting for you to say your vows.

The Threshing Hall's breathtaking high ceilings are adorned with sophisticated chandeliers and festoon lighting, whilst candles glow along the length of the stone wall to enhance the natural beauty and traditional character of the barn. The charm of dried hops hang from the balcony, which leads up to the stone fireplace where beautiful floral and candlelit displays can be set.

The Threshing Hall has a spacious capacity for 160 guests and is one of those rare, deeply romantic places that you have to see to believe and fully appreciate its beauty.

THE GREAT BARN

The beautiful oak beams in The Great Barn and views overlooking rolling country fields, will leave you in awe. This is where we will host your wedding breakfast.

Through large glass doors, The Great Barn has stunning south-facing views across the Northumberland countryside that creates the most perfect backdrop for your wedding breakfast and speeches. The Great Barn has a capacity of 180 day guests and 250 evening guests.

THE CART SHED & THE FORGE

The Cart Shed is our charming stone reception room, featuring rustic whisky barrel tables for your drinks reception, gifts and cake stand.

Here you will find, nestled upon a hay bale, one of many cart wheels found around the barns that speak the true heritage of the Cart Shed. Enhanced with coloured up lighting, this space can easily be transformed into a calm haven for the evening, where you and your guests can enjoy local ales, whisky and fine wines from the adjoining Turnbull Bar.

Adjoining the Cart Shed is the Forge, a further peaceful lounge featuring original bellows and stone fireplace. This area provides the perfect relaxation haven for you and your guests to relax in comfort on soft leather seating.

THE TURNBULL BAR

The Turnbull Bar is set beneath one of the stone arches leading on from the Cart Shed and is elegantly adorned with ambient festoon lighting hung over original oak beams.

Here, our award-winning team serve the best local ales, fine wines and spirits, where we have a late licence to serve you and your guests until 2am. This is one of the most eye-catching bars at Doxford Barns, making it a perfect place to catch up with those most dear to you.

THE BALDY REIVER BAR

The Baldy Reiver Bar is situated within The Great Barn itself and is framed with a custom 53 pendant festoon chandelier.

Here, our award-winning team serve premium spirits and cocktails to you and your guests straight from the dance floor until 2am.

ACCOMMODATION

Our on-site accommodation is completely available for your exclusive use.

We have seven tastefully renovated farm cottages as well as your bridal suite, which are just a stone's throw from The Great Barn.

Our accommodation is made up of a mixture of 3, 2 and 1 bedroom cottages, sleeping up to 41 of your guests, plus our beautiful bridal suite.

The cottages are arranged in a stone built terrace row, with views overlooking the scenic countryside and our rustic barns. Formerly used to house farm labourers who worked the land, we have since renovated our cottages to include cosy sitting rooms with wood burning stoves, fully equipped kitchens and wonderfully appointed bathrooms.

All cottages have wi-fi and are heated by our biomass heating system, making them cosy all year round.

For additional accommodation, there are also camping pods available to hire for up to 20 guests, based on 4 people sharing per pod.

THE BRIDAL SUITE

The bridal suite at Doxford Barns (The Hayloft) is located within the centre of our cottages, looking out over towards the Great Barn. Here we have created the perfect haven for you to unwind and prepare for your big day.

Bathed in natural light and beautifully furnished throughout, the bridal suite is finished to a very high specification and offers a striking combination of original features with modern decor. The cosy cottage feel creates an idyllic place to unwind and relax, whilst affording plenty of space to prepare on the big day.

Inside you will find a large kitchen and sitting room with a well-proportioned bedroom, en-suite bathroom and double shower.
