# YOUR VISION....

A close-knit family run team;  
we believe in working with you, to help you  
realise your own ideas and visions for  
your very special day.....

From vintage afternoon tea parties, to  
teepee's in the garden, or magical candlelit  
weddings with roaring log fires - We can  
help you create a day that's unique to you!

Our flexibility is also reflected in our  
catering. Our chef can work with you to  
create sumptuous three course menus  
or less formal options such as hog roasts,  
BBQ's, paella or bowl food.

However quirky your ideas may be, we  
would love to hear them and help you bring  
your vision to life!

"We had our wedding reception at The Compasses in July 2013 and had the best day that we could have imagined!

It was much more affordable than other venues that we visited and yet we thought it was so much better!

Even a few years on people still talk about how much they enjoyed the day and how good the venue was!"

"The Compasses Team were open to anything and everything we wanted, as well as coming up with perfect ideas to put the day together.

We truly couldn't have asked for a better venue or for more accommodating and lovely hosts - a day truly to remember by the two of us as well as our family and friends!"
