On fashionable and bustling Upper Street in the heart of Islington, with fantastic transport links to the rest of London and the UK, it offers the perfect setting for a wedding in the capital. It is located next door to Islington Town Hall and its range of stunning ceremony rooms, so why not get married in the grand surroundings of Islington Town Hall before you and your guests come through to Islington Assembly Hall for your reception?

Islington Assembly Hall can also cater for ceremonies of up to 230 guests.

Every wedding is unique and our Celebration package gives you the flexibility to create a day that's personal and special to you.

A REALLY SPECIAL AND STRESS-FREE DAY

Our experienced and helpful team will guide you through from your initial enquiry to the day itself, to help make sure you can relax and enjoy every minute.

We have a range of packages to suit all couples. Our most popular offer, the Celebration package, does not restrict you to using specific suppliers, and your caterers will have use of our modern kitchen. We provide drinks packages, which we can tailor to suit your tastes, and our fully-licensed bar will be open throughout, offering a wide variety of drinks.

As one of the capital's most exciting live music venues, it's ideal for concert lovers, and the host of names to have graced its magnificent stage is sure to be a talking point for your guests!

Your guests will arrive through our impressive foyer before moving into our main hall. The spacious main hall accommodates a range of layouts and allows your friends and family to have an unrestricted view of the happy couple – and you of them!

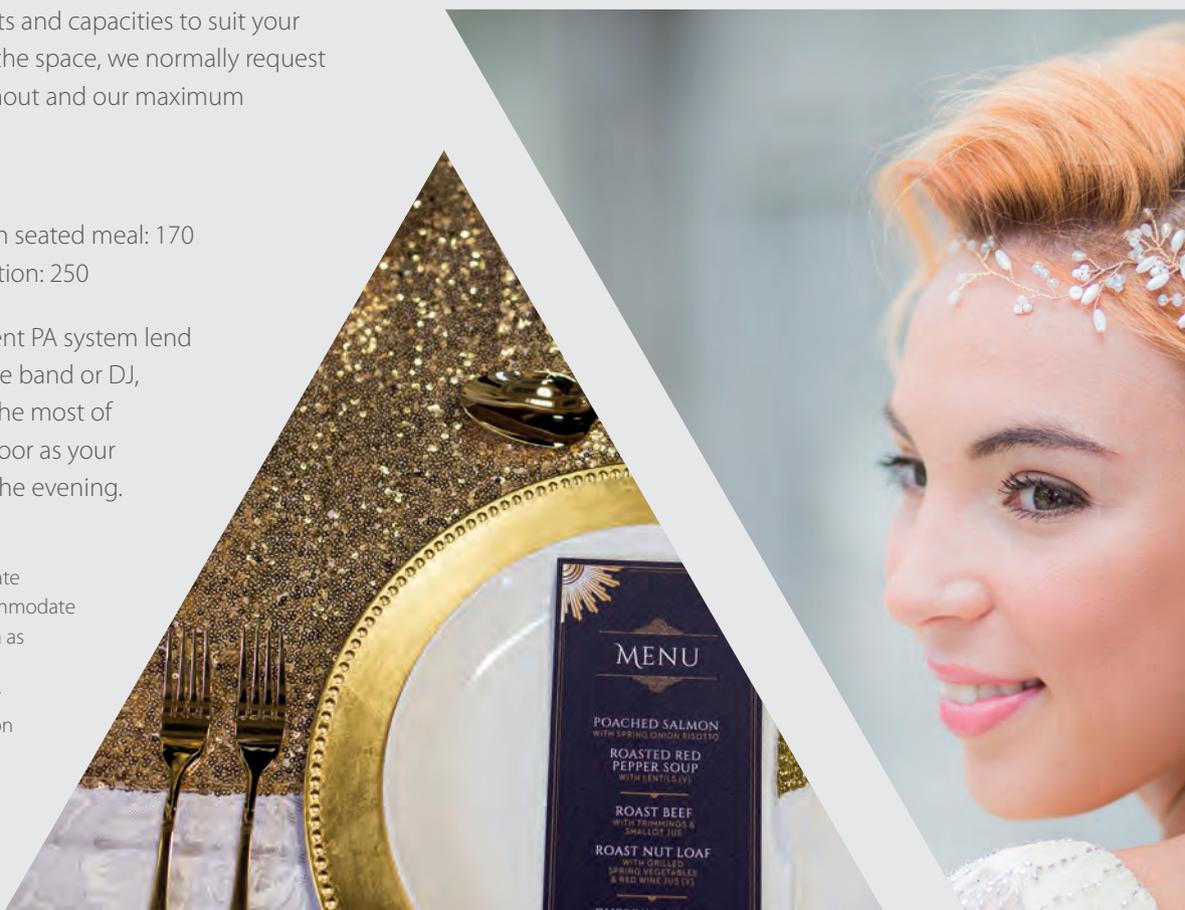

CELEBRATING WITH YOUR LOVED ONES

We will advise you on layouts and capacities to suit your plans. To make the most of the space, we normally request a minimum of 100* throughout and our maximum capacities are:

- Civil ceremony: 230
- Wedding reception with seated meal: 170
- Informal evening reception: 250

Our grand stage and excellent PA system lend themselves perfectly to a live band or DJ, and your guests can make the most of the original sprung dance floor as your celebrations continue into the evening.

* If you're looking for a more intimate wedding, we may be able to accommodate this, depending on your plans, such as the dates you have in mind. If you are interested in holding both your ceremony and reception in Islington Assembly Hall, our team will advise on the options available.
