# OUR STORY

Thank you for choosing to find out a little more about planning your wedding at Broadoaks Country House.

Romantic, unique and welcoming this Victorian gentleman's summer residence offers grandeur on a human scale. Every inch a home, but with all of the best bits of a 5\* hotel, it's the perfect venue for weddings and civil partnerships - and just five minutes from Lake Windermere.

Built in 1836 the house rests amidst the folds of its skirts - seven acres of beautifully landscaped gardens and majestic woodland - with views over to the lake.

The grounds offer stunning backdrops for photography, lots of places to socialise and even more for private moments. You are never far from the sound of the River Troutbeck as it chatters along its route to the Lake and the gentle splash from the ornate fountain at the house's grand entrance.

For weddings and civil partnerships outdoors a crisp, white, licensed gazebo sits at the head of a velvety wedding green.

Not using the wedding green but want to get here in a hurry? That's fine; when we're not using the green for those tying the knot outdoors it doubles as a handy helipad.

And we've been busy just lately. Our grounds are positively glowing and a huge programme of refurbishment proceeded a big 'Ta Dah' moment for 20 beautifully refreshed and deliciously individual rooms for you to use on your big day.

Our Michelin-recommended restaurant prepares mouth-watering sit down wedding breakfasts for up to 100 guests with up to five courses beautifully presented and created from locally-sourced produce.

Or ask about something different - a BBQ or hog roast outside perhaps, or a luxury buffet.

For evening celebrations we can host up to 130 guests. Weddings are about two very important people and a completely personal experience. Tell us what perfect looks like for you - and let's build your day to your exact requirements.

We love showing people around this lovely house and it really does help you visualise what can be achieved.

Appointments take up to an hour, just call our reception on **015394 45566**.

We look forward to meeting you, and we'd love to be part of the start of your happy ever after.

*"Keep your eyes wide open before marriage, and half shut afterwards."*

# SAYING 'I WILL' IN CUMBRIA & THE LAKES

**Ceremony staff at Cumbria Registration Service are dedicated to providing an experience you will treasure. They will guide you through the steps and processes, and help you to make your ceremony special.**

Ceremonies at Approved Venues like Broadoaks follow a similar format to those in the Registration Offices. In Cumbria you may provisionally book your ceremony up to 24 months in advance for a non-refundable booking fee.

As soon as you have decided that we are the venue for you, simply agree a date with us, and ask us to hold it for 48 hours. Then contact the Cumbria Ceremonies Team by filling in the form found by following the below URL. This is the quickest way to get a response as your email will be forwarded through to the correct team. We are not allowed to do this for you; it is a legal requirement that you make the booking yourself.

- Ensure ceremonies take place only in those rooms which are licensed
- Ensure that the ceremony is non-religious; this includes any music played
- Provide a table for signing the register in the Ceremony Roomm

## What is expected of you on the day

- Ensure that you have completed and paid for all documentation sent to you by the registrars
- Turn up!
- You must meet individually or as a couple with the registrars 30 minutes before the ceremony takes place
- If you are having music then this needs to be arranged with the venue for the entrance, signing the register and the exit after the ceremony
- You must ensure your guests are all seated appropriately to start on time
- Someone should be on hand to direct people where to go after the ceremony
- Someone to take full responsibility for the ceremony and ensure all conditions are met

# KEEPING AN EYE ON COSTS?

It is common practice for guests to pay for their own accommodation when attending a wedding away from home.

Guests attending a wedding would also expect to see a wedding list to buy the couple a present.

So why not combine the two? Ask your guests to agree to pay for a room at Broadoaks as your wedding gift, and offer them one of the suggested discounted rates shown below.

*“You want their presence not their presents”*

You may also want to invite your guests to contribute different room rates for different room types; whatever the amount it's up to you. As you can see from the table below, guests' contribution can be considerable. Ask one of our weddings team for more information.

Guest Contribution (per room)	£100	£150	£200
Total Guest Contribution (assuming 15x rooms)	£1500	£2250	£3000

### Wedding coordinator helpful notes:

- We would suggest that you hold back the allocation of all rooms for your big day until you know exactly who is coming. As you will need to take account of any special requirements that people have e.g. children, ground floor rooms, dogs etc.
- The final room allocation sheet (available from our planning section on our website) has a column for you fill in to tell us how much you would like us to charge each specific room
- When your guests check out after your wedding we will collect the money for the room as part of their final bill
- All monies collected from your guests for their rooms will be deducted from your final bill. In the event that guest payments towards their rooms results in you having made any overpayment, you will be refunded any monies due on departure.

## ADDITIONAL ACCOMMODATION

If you think you might need extra accommodation to house additional guests, we are proud to offer 4 beautifully designed rooms, situated in our grounds.

**The Retreat:** Is a two bed roomed lodge suitable for up to 6 guests.

**3x Garden Suites:** Are one bed roomed detached cottages suitable for up to 4 guests.

See our website for full details.

If you do not book the 3x Garden Suites for your event, they may be offered to other guests on a bed and breakfast basis with no access to the hotel. We would suggest that you add them on to your booking ASAP to avoid disappointment.

# FOOD

**The best dishes come from the best ingredients, locally sourced and put together by someone who not only truly knows food, but loves it.**

We are incredibly fortunate to have just those qualities in Executive Head Chef Sharon Elders and her hand-picked team. Fresh, mouth-watering and sumptuous dishes and bakes are key. From Artisan breads and pastries baked on the premises for our Afternoon Teas to herbs and spices snipped from our gardens for garnishes and flavourings, we like to keep things wholesome, tasty and home-cooked.

Our menus are created with great care and attention to cater for all dietary requirements. The style of dining and the food served will often set a tone for a wedding or civil partnership, so it's important to express your style. So choose from a three or four course fine dining experience, hog roast, Traditional Afternoon Tea or even a BBQ. Just browse our menu selectors for inspiration... and a rumbling tummy!

# DRINK

**A great wine list is not the work of a few hours!**

We pride ourselves on offering a list that features the very best of the most popular grape varieties - and a few tempting surprises. We have more than 30 to choose from so we're confident there is something to suit even the most discerning palette. Our House wines are eminently quaffable and carefully selected to suit all tastes and budgets. Locally sourced Ale is available on request, some interesting Gin and Vodka brands feature too - we love a well-stocked bar.

# 4-LEGGED FRIENDS ARE WELCOME

**They say every dog has his day and we agree.**

If your best man or woman is going to be a four-legged member of the party then his or her VIP day has to be catered for too. Broadoaks' beloved house Cavapoo Flo is on hand to show doggie guests the ropes and the house prides itself on its DDB&B (Doggie Dinner Bed & Breakfast) service. We have dog-friendly rooms and all the little touches that tell you you're in the company of fellow dog lovers - from a superb menu and a great big field for that all-important morning visit to the outdoors, to plenty of taps, water bowls and dog de-muddying facilities.

We may be biased, but we do love a wedding with a four-legged guest or two.

# ...AND THEY LIVED HAPPILY EVER AFTER!

We are crazy in love with weddings and civil partnership ceremonies at Broadoaks. The house shines, everyone is focused on their tasks, and everything comes together - every single time.

We wouldn't be in this business if we didn't love making people happy, and putting our couples and their guests at the centre of everything we do.

These days we love. We'd love to help make your day.

We look forward to meeting you.
