The rooms are spacious and airy with lots of room for your photographer to capture the excitement of the morning before your wedding.

The Ceremony

Say I do in the elegant surroundings of the Gallery or under the timeless stone Gazebo on the South Lawn. The surrounding gardens make the perfect backdrop for your nuptials and are perfect for those all-important photo opportunities. Whatever you choose, we will make sure that your ceremony flows effortlessly and represents the very best of you both as a married couple. From the ceremony to the reception, we are able to harmoniously cater to your every desire.

You're welcome to use the hotel grounds for your wedding photography and the Mews Lawn is the perfect spot for garden games should you want to occupy your guests.

**for receptions with more than 140 guests you will need to consider having a marquee on the grounds.*

Your Wedding Breakfast

Choose from a varied selection of menus created by our Executive Chef, all centered around using fresh, local produce. Drinks packages are available and for receptions held in the De La Bere Court you will have access to your own bar.

Your wedding menu can of course be created just for you and your partner. We welcome you to come and meet with our chefs to discuss exactly what you want on your big day.

The Morning After

Resting a weary head or continuing the celebrations, do so at your leisure. There's always a need for a catch up after a big celebration, so why not organise a group breakfast the following morning for you and your guests? It's a lovely way to reminisce from the night before and the perfect opportunity to say thank you and farewell to all of your guests.

Alternatively, you're welcome to head to the boot room and borrow a pair of Dubarry boots before stepping out into the Cotswolds as your first day as a married couple.
