This magnificent Provence style venue is ideally located in the quaint setting of Moux, a small and idyllic village, in the wine country between Carcassonne and Narbonne.

Built in the middle of the 18th century in typical Provence style, the mansion lies at the foot of the Alaric Mountain, part of the Corbières range. This charming traditional French mansion is steeped in history and makes for a stunning destination for weddings. Nestled amongst the beautiful vineyards and the Pyrenees mountains of Southern France, this setting gives you all the privacy, peace and atmosphere you'll wish for on your special day.

It has plenty of outdoor space to explore so you and your guests can fully enjoy the warm Mediterranean sunshine.

It has a beautiful garden with an outdoor pool and bar, marquee area and a terrace, also with bar, where you can relax. We can offer accommodation on site for up to 17 people but we can also arrange accommodation with the other hotels or B&B's in the surrounding area.

It's ideal location means you can easily explore everything that the Occitanie region has to offer. With Carcassonne just a fifteen minute drive and Toulouse, Montpellier and Perpignan only an hour away, The rich geography, vineyards and history of the area all combine to make up a region ready to be discovered.

The traditional French charm here will make you feel welcome from the moment you arrive and we promise you will find it difficult to leave.

## The Wedding

### The Perfect Day

We take care of everything from start to finish, so all you have to worry about is enjoying yourself and making memories to last you a lifetime.

You are more than welcome to have your ceremony wherever you wish in the privacy of the grounds. However, if you would prefer a more traditional approach, the quaint and intimate church St. Felix is just 10 minutes away in the village.

The church was built in the 1400's on the old chapel of a castle and is the perfect location for the ceremony.

After the ceremony, we will transport you back to the mansion to start the celebrations.

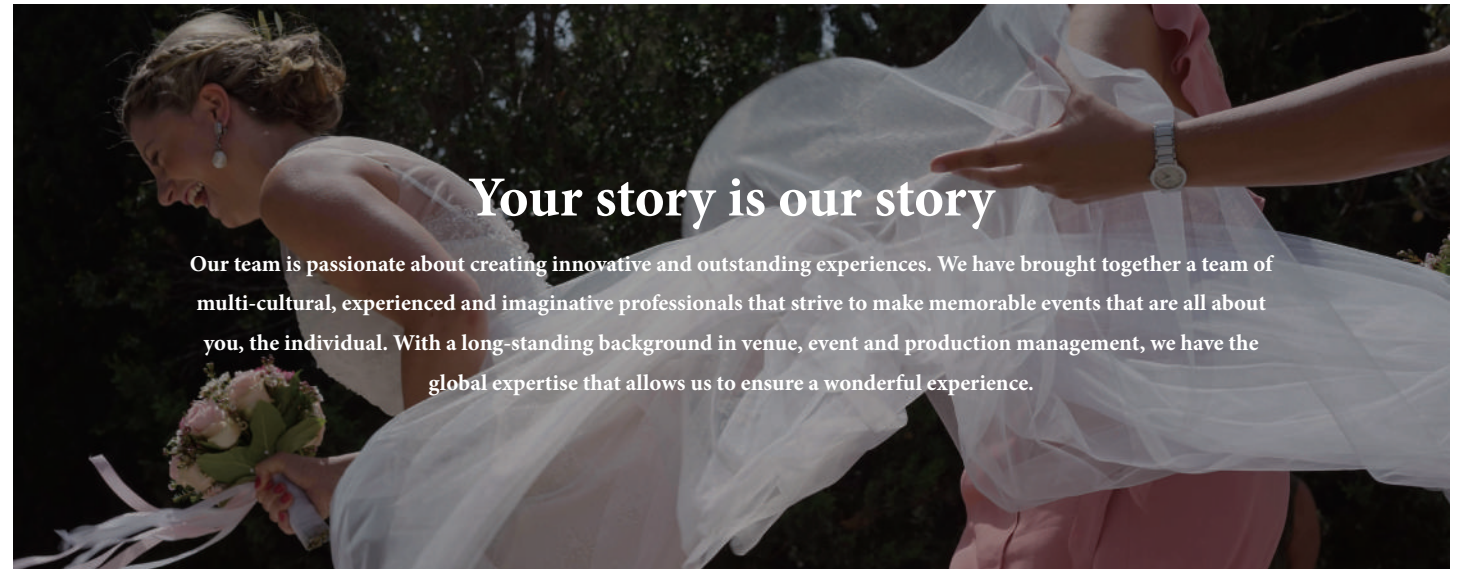

In addition, we can take care of anything that you need, including catering, entertainment, photography and accommodation.
