The Orchid Package sees you doing all of the planning but you are still looking for that extra something. You will see the beauty of your dreams and creativity come to life.

Our services are developed to meet YOUR needs and requirements on YOUR day. We are happy to customise each service to meet your specific desires, budget, style and vision.

We believe that there is no such thing as impossible; no limit to creativity apart from the one you choose to put; and that all life's successes should be celebrated as tomorrow never comes twice.

You will forget time, the world and yourself as our events transcend reality.

We look forward to hearing all about the intricacies of your wedding!
