

THE IN & OUT

NAVAL AND MILITARY CLUB

LICENSED FOR CIVIL CEREMONIES AND PARTNERSHIPS

The In & Out is an elegant Grade II listed house set in a discreet corner of St James's Square. Famously the home of Lady Astor, with sparkling chandeliers, a sweeping staircase, and fireplaces the Club will fulfil your wedding wishes whatever the season.

Nothing outshines ceremonies in the magnificent King Harald V stateroom or dining and dancing alongside your guests in the beautiful Coffee Room. In addition, the Club has a romantic courtyard which transforms into your own intimate outdoor space. Use it for taking scenic wedding photographs by day, or create a magical alfresco dining experience at night.
