

THE  
GREEN  
CORNWALL

HOUSE & COTTAGES

A romantic wedding scene set in a lush, green forest. A bride in a white lace dress and a groom in a blue suit with a red bow tie are kissing. The groom is holding a vibrant bouquet of pink, yellow, and white flowers. The foreground is filled with a field of purple flowers, and the background is a dense canopy of green trees and branches.

Whatever you want we'll help you create the wedding of your dreams.

The Green is yours exclusively for a couple of days for a celebration you'll cherish forever. Share your wedding day with up to 140 guests, with adaptable function space for smaller groups and offer up to three days of 5 Star luxury accommodation to 32 of your closest friends and family. Surrounded by breathtaking views, our picturesque 20-acre private estate has its own lovely orchard, wild meadows, enchanting woods and a tranquil lake. So there are endless idyllic settings for beautiful photographs of your special day.

### YOUR CEREMONY

We have many locations where you can exchange your vows. Our Oak arbour is outdoors, set on the hillside, and framed by two majestic English oaks, it looks down onto a canopy of trees in the lush green valley below. Our Lake Arbour is set by the river beside our lake nestled amongst the trees.

If the weather isn't kind we have some gorgeous indoor options for you too. Our Wedding Barn is just adorable with tons of character and original beams and oak floors. If you are looking for something a bit more DIY then our Really Rustic Barn has lots of scope for styling to your own taste. Or with its dramatic wall of glass, and flooded with natural light, the Green Room is a stunning, contemporary space for an indoor ceremony.

We can also accommodate church ceremonies locally, humanist and celebrant ceremonies. It's up to you.

Exchange vows inside or outdoors;  
have a traditional ceremony or  
something more relaxed.

## Celebrate your way...

### YOUR RECEPTION

It's hard to believe that our Red Brick Barn was once a cow shed. The red brick walls and original beams have been lovingly retained but the rest is pure sparkle and glamour. The front of the barn has floor to ceiling doors that open fully to views over Kitt Hill and distant Dartmoor. The outside is clad in oak and there is oak flooring.

The Green Room is perfect for a meal for a smaller group. Natural light pours through its spectacular glass front and there are stunning views towards Caradon Hill and the mysterious tors of Bodmin Moor. Simply decorated with white walls and solid oak floors, the Green Room is a blank canvas waiting for you to make it your own.

Catering is whatever you want from a traditional three course meal or a rustic sharing feast or a BBQ. If have something in mind that will be perfect for your wedding meal then we would love to accommodate this too. Our food is home-cooked, local and delicious.

Indoors or out, The Green is the perfect place to say 'I do'.

### YOUR PARTY

It's time to celebrate! Our two bars are well stocked with local cider and beer on tap. We will happily serve drinks outdoors so that you can take advantage of the 360 degree views.

We want you to make the most of our beautiful grounds too! Choose a theme for your wedding, play games, have a treasure hunt, or walk in the woods and paddle in the stream. Dance the night away with music from a DJ or live band. Share your perfect wedding playlist via our sound systems. Enjoy your favourite drinks from our well stocked bars with lots of local choices. Add a photo-booth, sparklers, a caricaturist or karaoke to personalise your evening. If it all gets too much you can take a breather in our courtyard space. Add some pasties or fish and chips for the evening munchies.

The Green is yours to personalise.

## THE GROUNDS

The Green is like a little hamlet set in the midst of outstandingly beautiful Cornish countryside.

The enchanting beauty of our 20-acre grounds unfolds as you approach along the sweeping drive. There's a large formal garden where you can lounge with a picnic, a wildflower meadow and a croquet lawn. Wander through our private woods – carpeted with bluebells in spring or enjoy apples from our orchard.

If you're feeling adventurous step outside to explore Bodmin moor or take the footpath from our front gate to the local pub in the pretty village of Upton Cross.

Whatever time of year you visit The Green, you'll find a magical setting for your celebration.
