

WEST TOWER

WELCOME

West Tower is a secluded, romantic country house set amidst acres of rolling Lancashire countryside. We invite you to spend your wedding day and night here, in our beautiful 18th-century hideaway.

Exclusively yours, at West Tower you can marry, dine, celebrate and sleep, spending every moment of your most special day nestled in this home away from home. Whatever your wedding dream, we're here to make it come true.

YOUR WEDDING CEREMONY

Civil ceremonies at West Tower can take place both inside and out. Our elegant Ballroom is the setting for indoor ceremonies, with delicate neutral décor as your blank canvas, and beautiful views over the grounds.

Outside, the picturesque Pagoda can be yours between April and September, an idyllic spot for a summer 'I do' moment. Equally suited for larger weddings or more intimate occasions, at West Tower we can seat up to 140 guests for your ceremony.

Couples looking for a religious ceremony will find St Michael's Church in Aughton just half a mile away.

The bride is wearing a white lace wedding dress and a long white veil, smiling warmly at the groom. They are holding hands. In the background, several guests are seated in white chairs, watching the ceremony. The church interior features a wooden staircase on the left and large windows on the right. A semi-transparent text box is overlaid on the left side of the image.

THE DRINKS RECEPTION

The Cellar Bar is a stylish space in which to enjoy welcome drinks and canapés with your guests. After your wonderful ceremony, this is the opportunity to greet your friends and family and commence the celebrations.

On warmer days, doors open onto the Terrace, enabling you to enjoy the great outdoors and our beautiful gardens. Capture the moment with a number of wonderful photo opportunities here at West Tower, from the idyllic wishing well to the grand steps leading up to the house, and the surrounding countryside.
