THE DOME LOUNGE

RESTAURANT & BAR

Marco Pierre White Wheeler's of St. James's Oyster Bar & Grill Room

The Oyster Bar & Grill Room is a new concept by Marco that looks to build on the history of Wheeler's, which is famed for being the oldest fish brand in the world. However, it is not just for fish lovers, there is plenty of meat on the menu too. Marco has created a menu that gives a nod to the history but has evolved it to what today's diner wants.

The restaurant is ideal for large dinner parties of up to 80 guests. Both the bar and restaurant can be combined for exclusive standing receptions for up to 200.

The Dome Lounge

Perfect for a sophisticated Champagne reception or lavish cocktail party, the Dome Lounge offers the perfect setting for up to 150 people.

For unrivalled exclusivity, hire the whole hotel – the 74 bedrooms, The Dome Lounge and restaurant – perfect for corporate or social functions. A minimum spend applies to all 'exclusive hire' options.
