

Reasons to choose a Celebrant

- **Be free of rules.** You can choose anywhere you like for your ceremony. Indoors, outdoors, beach, wood, castle, cliff top, lakeside, stately home, orchard, boat, tipi - the only limit is your imagination.
- **Be unique.** Your ceremony will be written just for you, and will be your story, with your own vows, (I can help you with those if you like), and your choice of music, readings and rituals.
- **Be fun.** Your wedding day is one of the most important days of your life, but that doesn't mean your ceremony has to be a serious affair. There will be plenty of opportunities for laughter in your day, and that starts with your ceremony.
- **Be exclusive.** Unlike a minister or a registrar, I will only accept one booking per day, so I won't be rushing you or dashing off again immediately. I will be there at least an hour before the ceremony, and will stay as long as you need me to.
- **Be prepared.** I will arrange a rehearsal run through for your wedding party so that there are no unforeseen problems or hiccups in the ceremony. I usually like to do that the afternoon or evening of the day before, if possible.
