Testimonials

“My eyes and ears genuinely lit up the day I found Sheldon, he had the most professional website, he was passionate and tech savvy enough to have video blogs. For a future bride to bride I loved watching them and picturing my own big day. It wasn’t just that though because the first time I emailed Sheldon, I had an instant and helpful response and within a day, we were speaking on the phone. He knew exactly what to say and even explained that rather than paying for a DJ, he could do it all in one. This made perfect sense to me, as my experience juggling suppliers for events, I was desperate to hire one pro to take over one element of the wedding. And choosing Sheldon to organise the audio was the best decision I could have made.

What would I rate Sheldon out of ten? I couldn’t he was too fantastic!! All I wish is I could do it all again and I would hire him all over again”

Cat and Tim – Wedding – August 2017 (Singing guitarist and DJ)

“We got married in Italy and Sheldon was very very easy to deal with. He was on time, did exactly what he said he was going to do. Just brilliant, he’s incredibly talented.”

Andy and Laura – Wedding – Lake Como – August 2017 (Che Bello Duo)

“We chose DJ Shel for our wedding party after an exhaustive search on Google. We were looking for someone to create a really intimate party atmosphere with a wide range of music to cater for all age groups and had been encouraged by his website and Instagram posts. Following a couple of ‘get to know you’ phone calls, we decided that he was the DJ for us, so we went ahead and hired him. This turned out to be an excellent decision.

DJ Shel hit the nail on the head. He played all our requested music and we were delighted with the overall feel of the night. The party was very successful and we had a lot of compliments from our guests for how fabulous the whole wedding was including the party.

We would be very happy to recommend DJ Shel to anyone.”

Andy and Katie – Wedding – August 2017

“Sheldon performed 3 45 minute sets at our wedding, our first dance and then was our DJ for the rest of the evening. From our first conversation, Sheldon was fantastic. He even learnt a song from a YouTube video for our first dance and it was perfect! All our guests have commented how good he was. The choice of songs was perfect and he had everyone dancing until the end of the night. Highly recommend!

Thank you again for everything. You helped make our day perfect and so special!”

Larna and Jamie – Wedding – July 2017

"Our wedding was an intimate occasion in a small hotel in Henley on Thames. Sheldon was an integral part of this, playing and singing live for our reception drinks and later DJ for our party. His live act was outstanding- creating a convivial atmosphere for our reception and complimented by many of our guests. We appreciated Sheldon's versatility and helpfulness - filling in gaps when needed with great background music for our civil ceremony and over dinner, changing plans due to bad weather and the time he took to understand what we were looking for before the day. We think Sheldon was a real 'find' and would recommend him to anyone! "

Sonal and Jeff – Wedding – July 2017

I would like to say a massive thank you for your performance at mine and Nicola's wedding – I believe the two sets that you played in the courtyard really made the wedding, and is one of the main things that people have been commenting on.

Having our first dance sung rather than played by a DJ was really special, and your level of professionalism was second to none.

I would recommend your services to anybody having a wedding, or any other special occasion, and once again would like to thank you for making our day that little bit more special.

Chris and Nicola – Wedding – June 2017

Just a quick note to say thank you for your performance on Sunday afternoon at my engagement party. I was surprised by how many people kept coming up to me and asking about you because they were all really impressed with the performance. Although I knew you were good which is why I booked you in the first place!

You set the tone perfectly and completed the atmosphere to make a great engagement party. Really can't praise you enough.

Dan and Laura – Engagement party – June 2017

Sheldon performed at Laura's and my wedding, in the south of France in May 2017. He played guitar, sang vocals and DJ-ed, for the duration of the festivities. The whole day was an incredible success, and Sheldon was an integral part of that. In addition to his musical and DJing abilities, he is extremely communicative, helpful and adaptable. His experience and calm demeanour helped things run more smoothly. Throughout the whole process, pre-, during and post-wedding, he was really easy to deal with. I have no hesitation in recommending using Sheldon, if you need a DJ and/or musician.

David and Laura – Wedding – South of France, May 2017

With a small venue we couldn't have a large set up with a full band and we were worried we wouldn't get maximum impact, but this wasn't a problem with Sheldon and he far exceeded our expectations from start to finish. Communication from the first enquiry, right down to the day after our wedding was professional and friendly. He understood what we were wanting for our day and we had a full dance floor all night! The early part of the reception was classy with the acoustic guitar and saxophone and later in the night Sheldon delivered song after song as our DJ. But by far, the best part was that Sheldon had taken the time to learn our first dance song and perform it. It isn't often that the bride and groom are surprised on their own wedding day by someone else! Sheldon was definitely a key part in making our day so special and would recommend him to anyone looking for live music for their event or wedding.

Laura and Nick – Wedding – February 2017

We're so glad we had Sheldon DJ at our wedding. He played every single one of our favourite tunes and threw in his own ones which blended perfectly with what we wanted. His mixing was seamless and he kept people of all ages on the dance floor from the 1st track to the last. He is a great guy and very easy to work with. If you want a wicked DJ for your party, then Sheldon is your man!

Adam and Susie – Wedding – December 2016

Hi Sheldon. You were fantastic to deal with; so professional and reliable. You managed to do 5 jobs in one evening :- MC, DJ, pianist, guitarist and singer! You were always calm and took on board all our requests and needs from start to finish. Thank you so much. We would happily recommend you to play at our friend's functions in the future.

Alison and Rob – Bar Mitzvah – December 2016

We booked Sheldon as a compromise between having a band and a DJ at our wedding. Sheldon met with us beforehand to discuss what music we did (and didn't) like, and to get an idea of how the

event was due to run. On the day Sheldon took care of music from start to finish, playing our chosen tracks during the ceremony, performing some live songs to get the party started and DJ-ing until late to keep the dancing crowd happy. We had positive feedback from our guests and several asked whether Sheldon was a personal friend, which we hope he took as a compliment!

Helen and Phil – December 2016 (Wedding) – Solo, DJ live and DJ

My husband and I hired Sheldon to perform throughout our wedding day in September. Sheldon was a pleasure to work with on the lead up to the wedding, with great communication, support and ideas – just what we needed through the planning stages! Our evening guests were blown away with Sheldon's early evening performance and they loved hearing some modern songs with great twists. Sheldon finished the night with a 3 hour DJ set comprising of all our favourite songs. Thank you so much Sheldon, you made the atmosphere of our special day exactly how we wanted it! We would hire you again in a heartbeat!"

Ali and John – September 2016 (wedding) – Solo and DJ

"It was a joy to have Sheldon performing at our Lunch. He played all the music we love and sang and played for us in his easy style, and really set the mood for the rest of the afternoon. He was easy to deal with and is a true professional"

Kay and Keith's 50th wedding anniversary – September 2016

"We had so much fun at the wedding. The music was fantastic, the songs during the ceremony were integral to creating the atmosphere we desired and your timing was spot on. Throughout the day you really understood and GOT our music tastes. Everyone loved the selection of tunes for the dancing especially the last track. Thank you for the care and thought put into preparing for our special day and for your complete professional manner from start to finish."

Charlotte and Gino's wedding – September 2016

"We asked Sheldon to play at our wedding after seeing him perform at another friend's wedding in 2015. He exceeded our expectations. Sheldon is a consummate professional – he is extremely responsive, helpful, flexible, and reliable. Sheldon created a bespoke musical experience for our wedding from the pre-dinner drinks, to the playlist during the dinner and speeches, to a rocking dance floor to end the evening. I have never seen such a full and happy dance floor, and our friends usually take some persuading! We've received lots of compliments on the music since the wedding and would not hesitate to recommend Sheldon and his band to anyone. Thank you so much again, Sheldon!"

Bridget and Ali's Wedding – July 2016

"Sheldon helped me propose to my girlfriend by surprising her at work. He learnt a brand new song perfectly under very short notice and performed it beautifully - both instrumentally and vocally. He showed a genuine interest in my proposal and coordinated the timing of the

song perfectly so I could deliver my proposal speech. Sheldon made it an occasion to remember and I couldn't have done it without him."

Dan's marriage proposal – July 2016

We had a great evening with Sheldon providing live music especially selected for our party guests. His friendly attitude and energy helped the evening go really well, everyone had a great night.

Ian and Liz's 50th Birthday Party – June 2016

Hi Sheldon and Carl,

We had an after party day with everyone yesterday at the pub and I can't remember how many people said the music was spot on and made the day....so thanks and hope you enjoyed watching the grooving! :-) Will definitely be recommending you far and wide.
