OUR TEEPEES

Giant Teepee

The Giant Teepee is our most popular range and can be used solely on its own or interlinked to create a space to hold 700 people or more, so don't worry about not having a venue big enough for all your guests!

The Giant Teepee sides can be both lifted in the summer to make the most of the beautiful surroundings. However, in colder conditions, the teepee sides can be lowered to minimise the heat loss from the fire and heaters! We love the sides down as it's atmospheric and cosy!

There are a variety of entrances with the most popular being the avenue, entrance with the wooden doors as can be seen on the Left

It's most popular use is for a 'chill-out' area with a fire pit, comfy seating and beanbags or an additional space for the children to escape!

The midi teepee can be entered through via a porch entrance or can have a side rolled up as can be seen on the left hand side.

Weather Proofing

The Weather Proof Kits are designed to let natural light in to give you the appearance of the teepee sides being lifted without being effected by the elements.

The Weather Proof Kits come in a few different forms such as;

1. x2 Entrance Tunnels, The 1st one having sides and the 2nd without plus 10m matting.
2. Add on clear view panels at wither side to let more light in or a pair of wooden doors to keep the draft to a minimum.
3. You can add the singular weather proof kit to a single, double or triple teepee configuration or if you wish to give the appearance of a lifted from clear viewing panels can be added at an additional cost.

Next Steps

Of course after reading our brochure, you really want a Teepee for your event!

Well here are the next steps;

1. Visit our website at **www.teepeetenthire.com**
2. Navigate to the '**Quote**' section of the website where you can complete the form and select all the options you want for your teepee event.
3. We will then create you an itemised quotation and floor plan
4. Once we have got the quote to where we want it the next step is to carry out a site assessment if there has never been a teepee or marquee structure on site or that you're worried if it may fit.
5. We will then require a **NON REFUNDABLE** 30% deposit from you to secure your date and the teepee's or payment in full if its less than 12 weeks away.
6. From there we will be on hand to help you with any of your questions.
7. We will require your remaining payment 6 weeks before your event, which at this point we will schedule in your installation and collection date if not already arranged.
8. The installation team will arrive on site to begin installing the teepee's once they have finished the structure, furniture and decorative elements will be delivered and installed.
9. **CELEBRATE AND HAVE A FABULOUS TIME!**
10. Unfortunately, we arrive and to take the structure down on the agreed date after your event, where we will leave you with some fantastic memories!

TESTIMONIALS

“ Teepee Tent Hire provided an AMAZING service from start to finish! I Would highly recommend Teepee Tent Hire to anyone who wants a reliable, friendly and amazing wedding. All the lads who came to set up the teepee's and take down went out of their way to leave everything tidy and were very polite and helpful. Thank you for making our wedding one to remember!
Mr & Mrs Hardicker ”

“ Me and Andy just want to say a massive **THANK YOU** to Teepee Tent hire team for providing us with the best day of our lives.

It was all down to your fabulous Tipis, I knew I wanted them from the off but you guys were just the cherry on top.

Right from the beginning you guys were great and then when they were going up we were just mesmerised by how fast you guys installed them and how professional everyone was.

On the day the guests were literally blown away. We kept the beautiful wooden rustic doors closed until we arrived (luckily we had the weather) and got to witness everyones reactions which was just fabulous. Everyone is still going on about how they have never been to a wedding like it and the teepee's just blew their minds.

If you are thinking about having a teepee wedding look no further you will be blown away by the service provided by the team at Teepee Tent Hire and their magical peaks!

Love Mandy & Andy ”
