# YOU HAVE QUESTIONS

---

## **Q: Which package is best for me?**

A: Our packages are designed to cater to a wide range of needs. Whether you're planning to have a small elopement and need just a few hours of coverage, or you're having a grand celebration requiring 12 hours+ of coverage with photo & video coverage.

## **Q: Who will be at our wedding?**

A: I attend every wedding, if you go ahead with our photo & video package then there will be anywhere from 2-4 people.

## **Q: Do you start at a specific time? Can we choose when you start if we need?**

A: I am flexible with start times and can begin whenever you need me to. If your wedding is located far from my base, please consider travel times when planning the schedule.

## **Q: Are we able to have a quick chat before going ahead with you?**

A: Absolutely. I am more than happy to discuss your plans and answer any questions over a phone call or Zoom call. It's entirely up to you which format you prefer.

## **Q: What video quality do you film and deliver in?**

A: I shoot and deliver all wedding films in stunning 4K quality, ensuring you get the best visual experience, regardless of the package you choose.

## **Q: What areas do you cover?**

A: I am based in Cornwall/Devon, but am willing to travel anywhere within the UK. Travel expenses and, if necessary, accommodation should be covered if your wedding is outside my local area.

# I HAVE ANSWERS

---

## **Q: What do we actually receive from you?**

A: Every Photo & Video package includes 400+ photos, a Highlight Reel and a Teaser Video as a minimum. From there, we only keep adding!

## **Q: Do I have to order prints through you?**

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional, so I always love to help with prints!

## **Q: How long do we have to wait to receive everything from you?**

A: The delivery time depends on the package and the time of year, but I aim to deliver everything within 12 weeks after your wedding day. To help with the wait, a teaser video is provided shortly after the wedding, giving you a preview of the final product.

## **Q: How do we pay? Is it upfront? Is there a fee or deposit?**

A: I ask for a 10% deposit upon booking. Once paid, you have up until 7 days before your wedding day to pay the remainder.

## **Q: Won't you just get in the way on the day?**

A: I prioritize being as unobtrusive as possible. My goal is to capture every important moment without disrupting the flow of your day. I use minimal equipment and blend seamlessly with your guests, ensuring I document everything naturally and without interference.

## **Q: What makes you different from everyone else?**

A: We are customer-focused and offer some of the most cost-effective and flexible packages in the South-West. We are professional, responsive, and dedicated to making your wedding day unforgettable.
