

# AT THE END OF AN AVENUE OF LIME TREES YOU WILL FIND THE OTHER WORLD OF LANGAR HALL...

This unique country house hotel and restaurant in the Vale of Belvoir is just 12 miles from the city of Nottingham. Langar Hall is a true original - stubbornly English, deliciously stylish and quietly eccentric.

The understated elegance of a bygone era echoes throughout the hotel, capturing the true spirit of an endless house party.

From the moment you arrive, to the wedding breakfast, to your first dance, you will experience nothing less than a fabulous day.

# OUR KITCHEN

At the heart of the house, is Executive Chef Gary Booth who has been with Langar Hall since 2000, tirelessly nurturing, caring and creating. He has shaped the dining experience at Langar Hall throughout the years with fresh, local ingredients, a rich tapestry of traditional mixed with creative, and a pure love for what he does.

Head Chef Ross Jeffery started as kitchen assistant when he was 14 and is now in his 16th year at Langar.

An enthusiastic innovator, Ross has worked at three-star Michelin establishments Per Se in New York under Jonathan Benno, sister restaurant French Laundry in California with Thomas Keller, and Hambleton Hall, bringing new ideas back to Langar Hall.
