WEDDINGS

A STYLISH WATERSIDE BARN

— A STYLISH WATERSIDE BARN, JUST HALF AN HOUR FROM LONDON —

Welcome to COLTSFORD MILL

Coltsford Mill offers the best of a classic country barn wedding with an elegant contemporary finish, bathed in natural light and panoramic views of 12 acres of beautiful countryside with 2 stunning lakes and two flowing cascades fed by the river Eden.

The original Mill room is a fantastic and intimate setting for your civil ceremony with the original watermill workings set behind illuminated glass. The Mill's Honeymoon Cottage is classic, stylish and conveniently located. This hidden gem is set in a secluded waterside location within the valley of the river Eden on the Surrey Kent border positioned on the Earths Meridian line.

The dedicated family run team at Coltsford Mill offer the highest standard in bespoke weddings in this unique wedding venue, with our highly experienced in-house Catering and first rate Chef offering exquisite fine dining. Both our events and catering team are on hand throughout your planning to create the perfect day.

Your Perfect CEREMONY

The Mill Room is a unique setting for your civil ceremony or partnership and is licensed for up to 95 guests. The original 17th Century Mill workings are illuminated behind glass, to create a stunning back drop for your exchange of vows.

The doorway to the Mill Room allows you to make a grand entrance at the back of your assembled friends and family and process up the short aisle in traditional fashion.

The seating layout enables some of your wedding guests to sit facing you during the ceremony if you wish.

A CD player is available for your pre-recorded music or you may like to have live musicians, such as a harpist or pianist.

If your guest numbers are over 95 we are licensed for your ceremony within our barn for up to 150 guests.

CHAPTER 2 TWO

A STYLISH WATERSIDE BARN, JUST HALF AN HOUR FROM LONDON

A Tailored WEDDING BREAKFAST

The Watermill Barn is a contemporary oak-framed barn that can seat up to 150 guests for dining and up to 200 guests for an evening reception.

The Watermill Barn is also licensed for civil ceremonies and partnerships for up to 150 guests. Large windows overlook the tranquil gardens and cascades allowing natural light to flood in. Central heating, air-conditioning and an abundance of natural light make perfect wedding receptions in any season.

The lawns in front of the Watermill Barn are the perfect spot to set up giant garden games such as Jenga, Connect 4 and Skittles to entertain your guests. The fully-licensed, spacious Bar overlooks the original waterwheel and has panoramic views of the gardens.

Your guests can enjoy refreshments here before your ceremony and afterwards the Bar can be used for your drinks reception.

Dancing in the MOONLIGHT

After your wedding breakfast, guests can enjoy the terrace overlooking the waterfall and cascades, sit and relax, whilst the barn is being prepared for the evening reception.

Your guests can take advantage of our comfortable, modern, fully licensed bar area whilst a dance floor is created within the barn, providing entertainment space for your choice of DJ or Live Band to continue the party atmosphere and welcome evening guests.

The grounds surrounding the Watermill Barn are illuminated and through large patio doors the music drifts out onto the terrace. Your wedding guests can celebrate and enjoy the delightful views across the Eden Valley.

They may also sit within the twinkling lights of the gazebo, set adjacent to the bridge and waterfalls, giving an alfresco feel to the venue. Alternatively, they may enjoy sitting on the terrace under the large heated parasols and embrace the evening air.

Coltsford Mill is the perfect, romantic venue for the evening of your wedding day and is also available to hire for parties or anniversaries.

CHAPTER 4 FOUR

— A STYLISH WATERSIDE BARN, JUST HALF AN HOUR FROM LONDON —

Endless Photographic OPPORTUNITIES

The Coltsford Mill Estate extends to 12 acres and features two lakes.

This peaceful waterside landscape, with its many cascades and romantic bridge, is full of wonderful photographic opportunities.

Whatever the season you are getting married in, we can assure you that Coltsford Mill will provide a stunning backdrop to your most treasured wedding album.

Please take a look at some of our galleries online to see some of our most recent Weddings.

Your Home from Home
MILL COTTAGE

The Mill Cottage is your home-from-home on the day and night of your wedding.

The spacious country cottage has a lounge, kitchen, bedroom with en-suite bathroom and its own courtyard garden where you can enjoy a leisurely breakfast before departing on your honeymoon the morning after your wedding.

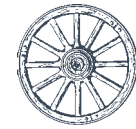

Upstairs under the eaves, there is a large dressing room with its own shower where your bridesmaids can get ready before your ceremony or freshen up on arrival if you are having your ceremony elsewhere.
