WEDDINGS

Our sole objective is to create the perfect venue for your wedding reception.

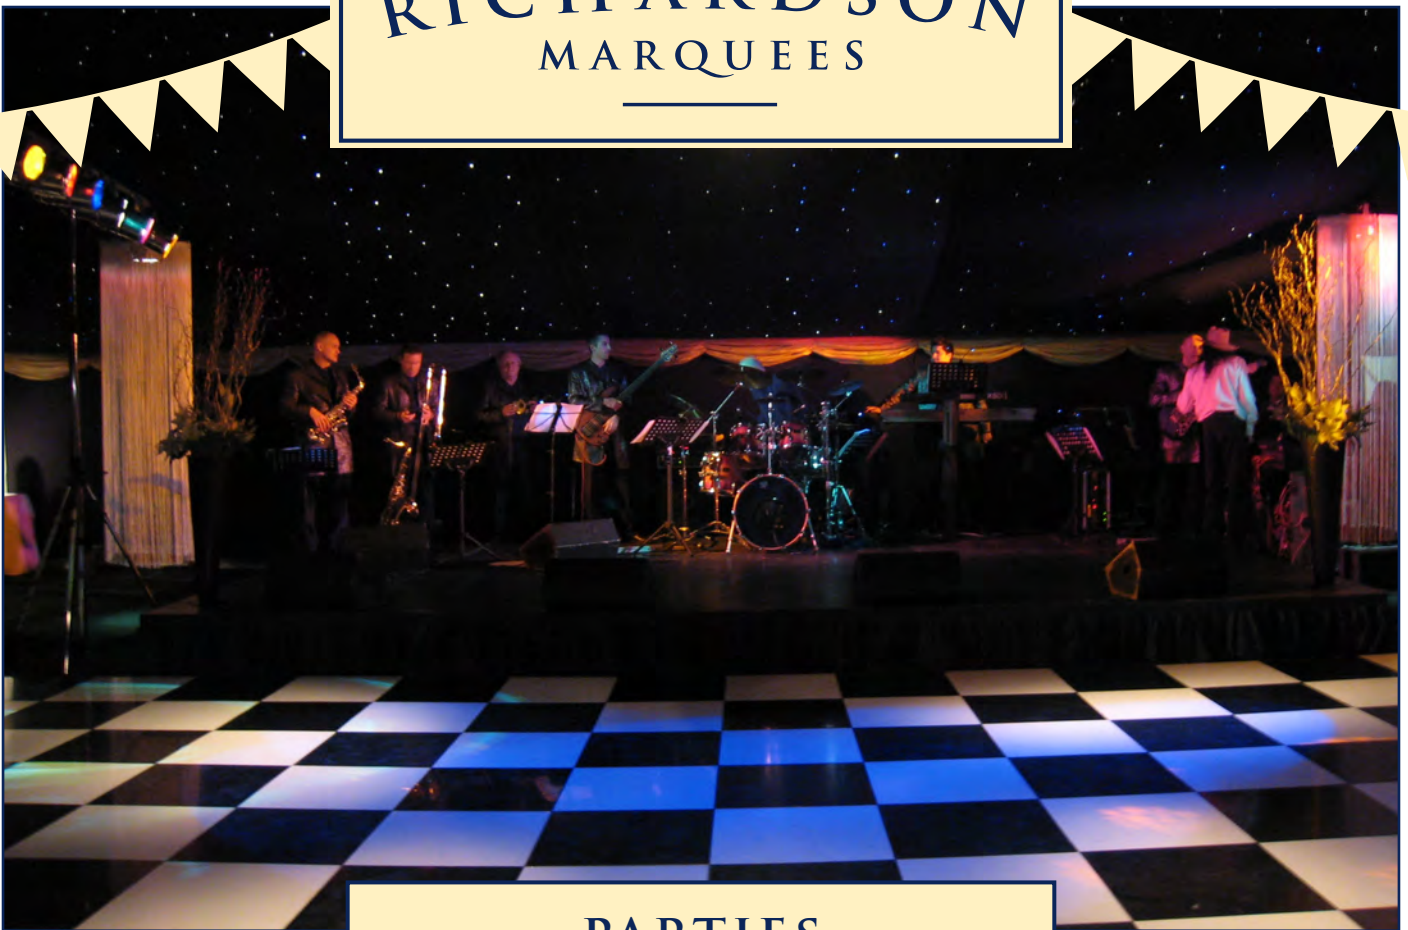

We will create a marquee layout to help you visualise your plans and provide a detailed breakdown of the costings. We can offer advice based on our many years of experience and work with your other suppliers to ensure you can enjoy your special day.

To complement your theme, we offer a wide range of high quality furniture, dance floors, lighting and colour schemes.

PARTIES

Whatever you are celebrating, we can create the perfect setting for your party.

With a wide range of lighting effects, we can create the right atmosphere to get that party feel. Bars, dance floors, furniture and different lining colours all come together to add the finishing touches.

Whether it is an informal get together, luncheon or ball, we can lay out the marquee exactly for your requirements.

PETAL STYLE

We can offer both clear span marquees and petal style traditional marquees.

The petal marquee has a scalloped canopy and scooped ridge line and with the wooden poles, Hempex Guy ropes and wooden pegs, it emphasizes all the best features of a traditional marquee.

Fairy lights, paper globe lanterns and bunting are just some of the options we can offer to complement the simple, relaxed feel.

FURNITURE

Having a marquee gives you the flexibility to create the seating arrangement and colour scheme that you prefer.

To give you choice and to ensure we can accommodate your plans, we can supply 5 different styles of chair, 5 different colours of seat pad, 6 different sizes of round table and 3 different widths of trestle tables. We also offer 5 colours of carpet in our standard range and a wide variety of lighting options so you can really theme and design the marquee to your requirements.

We can help and offer advice every step of the way.
