Over 200 years old, the grand building is truly one of the most romantic settings for a Civil Marriage Ceremony, Civil Partnership or Wedding Reception in the country. Not only does it make a picture perfect setting but as Britain's leading 5 AA Red Star Hotel, Spa and Country Club it offers undeniable luxury for your special day.

CONGRATULATIONS...

THE MANSION BEDROOMS

Stoke Park has 49 bedrooms and suites (21 in the Mansion and 28 in the Pavilion). The Mansion rooms are all individually designed and furnished with fine art, priceless antiques, large comfortable beds, marble bathrooms, HD TV, iPod dock, tea and coffee facilities, WiFi and most have open fires.

All the bedrooms and suites have incredible views over the 300 acre private estate and some open onto terraces with sweeping views across the parkland and lakes.

The Pennsylvania Suite (pictured opposite) was featured in the hit movie 'Bridget Jones's Diary'.

All rooms in the Mansion are named after a historical connection to Stoke Park. So whether you're staying in the Lancelot Suite (named after Lancelot 'Capability' Brown, who designed the landscape) or the Coke Suite (named after Sir Edward Coke, former owner of Stoke Park and prosecutor of Guy Fawkes) you will be sure to feel immediately at home.

Away from the bedrooms, Stoke Park also boasts its President's Bar, cosy lounges and one of the finest restaurants outside London, Humphry's, awarded 3 AA Rosettes.

THE PAVILION BEDROOMS

The Pavilion bedrooms and suites which opened in 2008 have a luxurious contemporary feel and also offer magnificent views over the estate, including some with views of Windsor Castle.

Each room comes fully equipped with a mini-bar, tea and coffee facilities, adjustable mood lighting, air-conditioning, iPod dock, HD TV, marble bathroom with heated floor and WiFi.

The carefully chosen furnishings, exquisite marble and fabrics are of the highest and most luxurious quality. The bespoke furniture is handcrafted in the UK with additional antiques sourced from the Far East.

The walls are adorned with hand-made mirrors as well as modern, iconic artwork, including oil paintings, large photographs, Andy Warhol lithos and film posters. In fact, throughout the Pavilion, you will see many of these historic movie images and posters which pay homage to Hollywood greats, classic films and all continuing Stoke Park's long connection with the silver screen.

Stoke Park's Master Suite features its own private lounge and dining area, plus 3D Television. When combined with Room 103, The Master Suite becomes The Presidential Suite. With majestic views over the beautiful manicured gardens, grass tennis courts and lawns and stretching over 134 square metres in size, The Presidential Suite exemplifies luxury.

The Pavilion bedrooms also have full disability access, with easy access to San Marco, the Gymnasium and the Spa.

A romantic wedding scene set in a forest of tall, thin trees. The sun is low on the horizon, creating a warm, golden glow and long shadows. A bride in a white gown and a groom in a dark suit are standing on a grassy slope, facing each other in a tender embrace. The trees are mostly bare, suggesting a late autumn or winter setting. The overall mood is serene and intimate.
