TESTIMONIALS

“Not only was his set creative, memorable and entertaining, but his professionalism made him a pleasure to work with. He was extremely organised from booking to performance and all communication was fantastic. There was talk of his performance around town for a considerable time afterwards.”

Artistic Director, Dicks Tea Bar, Val d'Isère, France.

“Alex is a fantastic Saxophonist, showman and all round talented musician. He has worked with us at PianoFactor on many occasions and always steps up to the plate. He has a great ability to ad-lib on the spot as well as knowing hundreds (maybe more) of songs. Alex is completely professional and a genuinely nice guy - it is always a pleasure to work with him.”

Carl Williams CEO - PianoFactor
