# Say 'I do' at your place in the country

As your guests sweep down the tree-lined driveway to our Arts and Crafts manor house, the scene is set for the wedding celebration you've been dreaming about.

Hidden away in rolling Buckinghamshire countryside, Horwood House is bursting with period character with its grand staircase, spectacular chandeliers, lead light windows and intricate stonework. Along with the perfectly manicured lawns and tranquil lily pond, the house makes the perfect backdrop for those photos you will cherish forever.

And having recently undergone a top-to-toe refurbishment, the hotel now oozes country chic at its stylish and welcoming best.

Horwood House has over a century's worth of memories – join us and add yours to our story.

Legendary gardener  
Percy Thrower was born  
here – his horticultural  
influence is everywhere  
from the artwork to the  
ornamental gardens.

## The start of something truly special

We want Horwood House to be more than a spectacular setting for your wedding day.

We hope it will be somewhere you return to again and again and feel totally at home. To relive memories, celebrate anniversaries and mark milestones.

Your special place in the country.

Or keep things casual and congregate at Harry's Bar & Kitchen which is open to all every day.

## Before the big day...

### H SPA

Whether you have a day, a week or months to go, a visit to our boutique spa is the perfect way to de-stress from the wedding preparations and enjoy a spot of pampering.

With a wide range of day packages available, you can bring your bridal party, besties, best man or brother. And for that pre-wedding glow, you can book something from our treatment menu which features fabulous facials, massages and more.

## STAYING WITH US

Your bedroom for the night before your big day is included as part of your wedding package, and comes with use of our swimming pool, sauna, steam room and gym from check-in.

The eight bedrooms in our courtyard stables are perfect for immediate family and members of the wedding party, giving them somewhere stylish and comfortable to get dressed up before the celebrations or to wind down afterwards.

## The morning of...

Our Manor Suites on the top floor of the original house make for marvellous dressing rooms where you can prep, preen and raise a glass.

With views down the driveway or across the lily pond, you can feel the butterflies build as you watch guests arriving and milling about the grounds. Finished with rich textures and bold prints, these multi-room suites feature large bay windows flooding the room with natural light that's perfect for your make up and photography.

Get your gang together,  
nibble on grazing platters  
and sip those bubbles  
whilst you natter about  
the day ahead...

# Ceremonies & Blessings

## IN THE GROUNDS

Stroll past our tranquil Lily Pond and through the Secret Garden gate and you will happen upon our Blossom Garden.

Licensed for weddings, this charming and romantic spot with magnificent views back to the house will delight your guests and, thanks to its endless photo opportunities, your photographer too.

You can also choose a less traditional setting for your wedding blessing or renewal of vows, such as the Manor House steps framed by elegant wisteria, the magical Well hidden amongst the woodland or under the boughs of the ancient oak tree.

## IN THE HOUSE

The Drawing Room is a light and airy stage for the exchanging of vows with its high ceilings, grand stone fireplace and impressive bay window.

Neutral tones, subtly glistening wall coverings and botanical prints finish off this ethereal and romantic room.

Our Drawing Room leads directly to our Manor Bar and panelled seating area – ideal for reception drinks in the winter – with stone steps to the grounds making this an excellent choice too for weddings in the warmer months.

Our Eyre and Cook Suites are also licensed for larger numbers.

## Drinks reception

After the ceremony, the celebrations ramp up with a glamorous drinks reception. Whether in the house or grounds, you can mingle with your guests, raise a toast and capture the moment with the most photogenic of backdrops.

Prosecco, cocktails, Champagne or gin stations can be set up and could be accompanied by our chef's homemade canapés, or you can suggest favourites of your own. We also have plenty of space for outdoor games to keep the kids amused or to lay on other entertainment.

For intimate winter drinks receptions don't forget the Manor Bar!

# Wedding breakfast

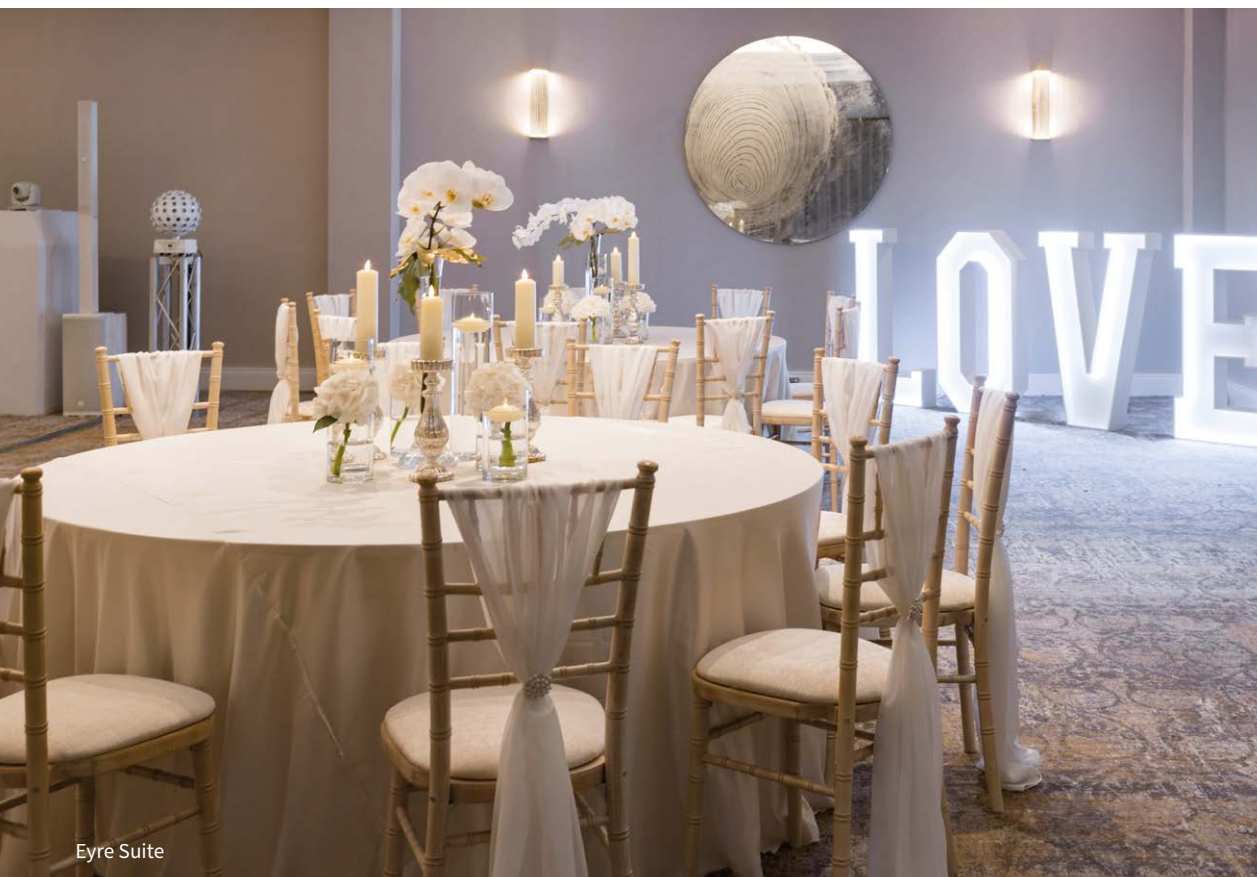

(your first meal as a married couple!)

Our Eyre and Cook Suites are wonderfully light and generous spaces for your wedding breakfast and they can be dressed to complement your chosen style and palette.

Or for a more intimate occasion, you can choose the Drawing Room with its views across the grounds.

Knowing how important a part the food and drink will play in your celebrations, we offer a huge range of options and offer a complimentary tasting session so you can be sure you are 100% happy with your choices.

Local ingredients are a key feature, and we can recommend wine pairings to suit your meal. We also welcome your own ideas if you want to do something a little different, and will do our very best to make them happen.

## Dancing the night away

From the romance of the first dance to kicking off your heels and boogying, we're here to make sure your evening reception is a legendary party for you and your loved ones.

The evening buffet is ideal for keeping your energy up for all that dancing! And with plenty of bedrooms to flop into when the music does stop, there is no need for anyone to rush off or miss out.
