

Wedding Ceremony | What's Included?

Face to Face Meeting

Samantha will meet with you 2-3 months before the wedding, to get to know each other and talk about the plans for your day in full. (Depending on your location, this meeting will take place either face to face in person or else online over Facetime or Skype).

Full Unlimited Guidance

Samantha will provide you with her personal 'Guide to Planning Your Ceremony,' along with some examples of readings and poems to help get you thinking about your ceremony. Samantha is only ever a phone call or email away to offer guidance whenever you need it.

Ceremony Script

Your full ceremony will be personally written by Samantha to capture your style, personality and relationship. You will be sent a full copy to read over before the wedding, and can make as many amendments as necessary to get it right too.

Vows

Samantha will provide assistance with writing or choosing your wedding vows, or offer you the freedom to this alone.

Symbolic Ceremony

You have the option to include a symbolic ceremony such as a Hand Fasting, Unity Candles or Sand Ceremony as part of the service – or something different of your own choice. *(Please note that any keepsake materials for this such as ribbons, candles, or sand holders must be provided by yourselves, but can be chosen with Samantha's guidance if required).*

Rehearsal

Depending on your location, you may have the option to include a free ceremony rehearsal on the day before the wedding (or you can choose to add this at an additional fee to cover mileage). Samantha will always arrive early enough on the day to run through everything with you individually before the ceremony too, and will guide you through every step of the service.

Keepsakes

Samantha will provide you with a personalised keepsake copy of your full ceremony script, including printed vows, readings and a ceremony certificate.

On The Day

Samantha will arrive at your venue at least one hour before the ceremony, to fully conduct the service and allow for any reasonable delays on the day. Samantha will always stay with you for the introduction of the drinks reception too, to help coordinate a confetti throw, and to meet and greet your guests after the ceremony.

If you would like Samantha to remain with you as your Host MC or Event Coordinator* for the full event, this can be arranged as an additional service. Please feel free to email Samantha for more details.
