Your wedding at Bearwood Lakes

Planning your wedding is an exciting time which you will remember forever. We hold a limited number of weddings each year, meaning every wedding is unique and marks a special place in the history of Bearwood Lakes. Our team are passionate about making your wedding dreams a reality and your very own dedicated wedding planner will be on hand at every moment during your wedding planning process, ensuring the build-up is seamless and the big day itself is everything you could want it to be and more.

A day to remember

Bearwood Lakes brings together everything you need in one outstanding location. Luxurious facilities surrounded by 200 acres of beautiful Berkshire countryside and woodland, with 3 picturesque lakes providing the perfect backdrop and plenty of creative opportunities for your wedding photography.

Your trip down to the lakes will no doubt be one of the many highlights of your day. As you are chauffeur driven through the stunning grounds and enjoy a chilled glass of Champagne, it is a moment of peace and calm for the two of you to relax and take it all in.

The ceremony

Our beautiful Clubhouse oozes sophistication and charm, with glamorous finishing touches such as our full length statement chandelier, creating the perfect ambiance with a bit of extra sparkle.

The neutral décor means you can personalise the venue to your own specific theme and colour scheme. From light and airy summer weddings to cosy intimate winter celebrations, it's your venue for your special day.

After you have said 'I Do' you can relax with your guests and enjoy a celebratory drink and canapés in our luxurious lounge, or on our south-facing balcony which boasts beautiful panoramic views.

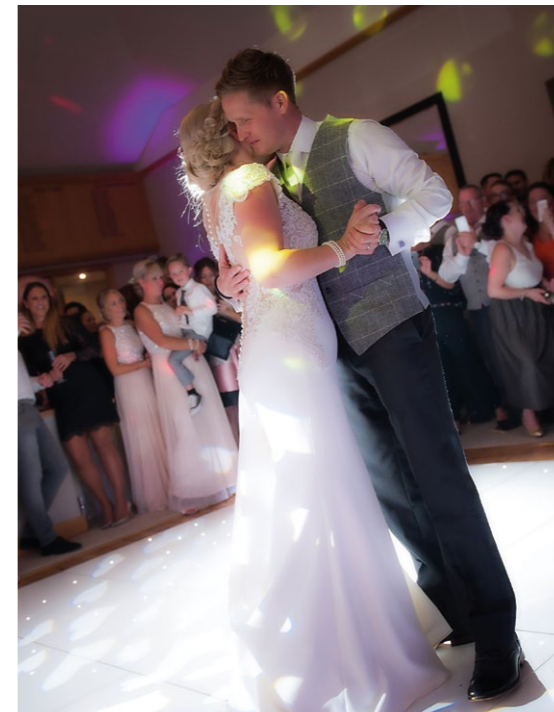

The reception

Whether you are looking for a formal sit down wedding breakfast, a casual BBQ, or low key buffet, our team are on hand to tailor the menu to your taste and cater to your specific needs.

Our passionate Chefs use locally sourced, seasonal ingredients, and work directly with you to produce your perfect wedding menu.

The beautifully decorated restaurant facilities comfortably seat up to 110 guests, or cater for up to 150 guests 'buffet style'.

The party

As the sun goes down and the cake has been cut, take to the dancefloor and continue your celebrations in to the night.

Whether you would like a live band, DJ, casino tables, photo booth or flower wall, there will be plenty of space for you and your guests to enjoy the evening entertainment and party the night away.

From the smile that greets you when you arrive, to the last drink before the evening ends, our team will ensure that every moment of your wedding is special.

Room plan

Our dining and reception areas share a private bar for an open and sociable setting, with an abundance of natural daylight.
