#### **Who I am**

I am told by friends and family I am a bubbly person, with a positive outlook and attitude to life!

It felt like a very natural addition to train a Funeral Celebrant and then Family & Wedding Celebrant and it is a job I totally love and feel so very proud of doing.

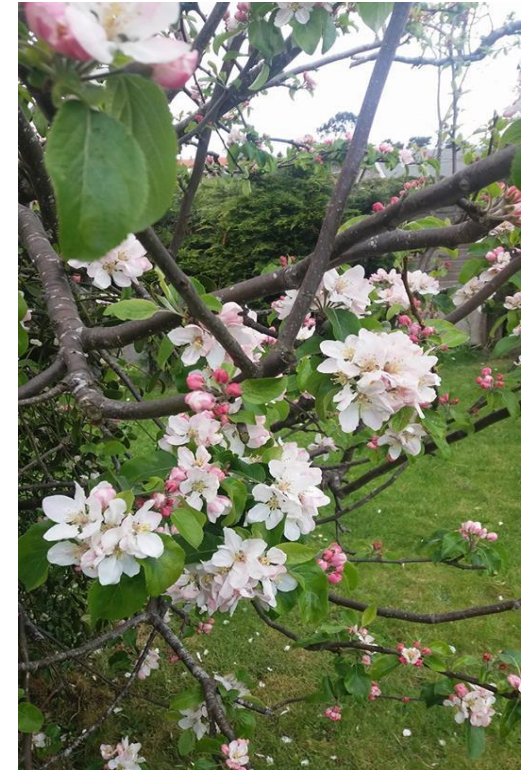

Helping someone organize their wedding, their vow renewal, a baby blessing or a funeral encompasses so much of who I am. For people to leave content & happy and thank you for doing a good job, just feels so very uplifting and special. I have fulfilled my role.

We are all part of a huge melting pot of life- sometimes wonderful, sometimes joyful, sometimes sad and for me, it is being there for each person in the way that is right for them and being respectful of who they are and the service I can bring.
