

The Barn at Upcote

Wedding and Event venue

Situated on a family run farm, The Barn at Upcote is where flexibility, friendliness and a relaxed but professional atmosphere come together so you can take away memories that will last a lifetime. We aim to help you create the day of your dreams, whatever the occasion.

Our venue is down a long drive and comprises of a number of Cotswold barns around a courtyard. These barns contain areas for the wedding ceremony, wedding breakfast, a bar, dancing, a bridal suite and outdoor seating.

There is a 360 view on our website (under the Gallery tab) which will give you a great idea of the layout of our barns and courtyard.

We have space for up to 100 guests at the wedding breakfast and over 150 for the evening event.

Our facilities are quite flexible, and we leave it to the bridal parties to decide how they want to use our different barns and grassy areas.

Catering

We want to give wedding parties flexibility over catering, so we have four preferred caterers who do a wide range of excellent food - Orchard Catering, McBaile Exclusive, Birch Catering and Ross & Ross Food.

You can also choose a different caterer if you wish, though we do charge an extra fee to cover our costs in briefing the new caterer on the site layout and ensuring it is cleaned appropriately afterwards.

Drinks

We have our own bar which is fully stocked for each wedding and takes cash and card (including contactless). If you would like a specific drink such as a particular ale, gin or cocktail, then you just need to tell us and we will add this to our bar list.

We are happy for you to bring your own champagne/prosecco and wines for your reception drinks and wedding breakfast. We won't charge corkage on these, but we do require our cash/card bar to be the sole provider of drinks after the wedding breakfast. The bar is open from arrival if guests want something different to what is provided.

If you need help sourcing your prosecco and wines, we recommend that you visit Oxford Wine Company. They have a huge range of wines for you to choose from and offer a free tasting service at their premises. They also offer sale and return on unopened bottles along with delivery to the venue.

Other suppliers

We have a list of suppliers for other aspects of your day, from wedding planning to event furniture hire, all on our website so please do take a look if you need some inspiration!

Accommodation

Our Bridal Suite

We're so proud of our bridal suite. It is the perfect place to get ready or escape for a quiet moment during the day, and a romantic bridal suite for the wedding couple to spend their first night. This suite is included within our hire charges, and is available from 11 am on the day of your wedding to 10 am the next day.

Other accommodation

There is a wide range of accommodation nearby from hotels to B&Bs and self catering accommodation – please see our website for more details. We also have two glamping pods and a shepherds hut onsite, which are available for hire as well.

Rates

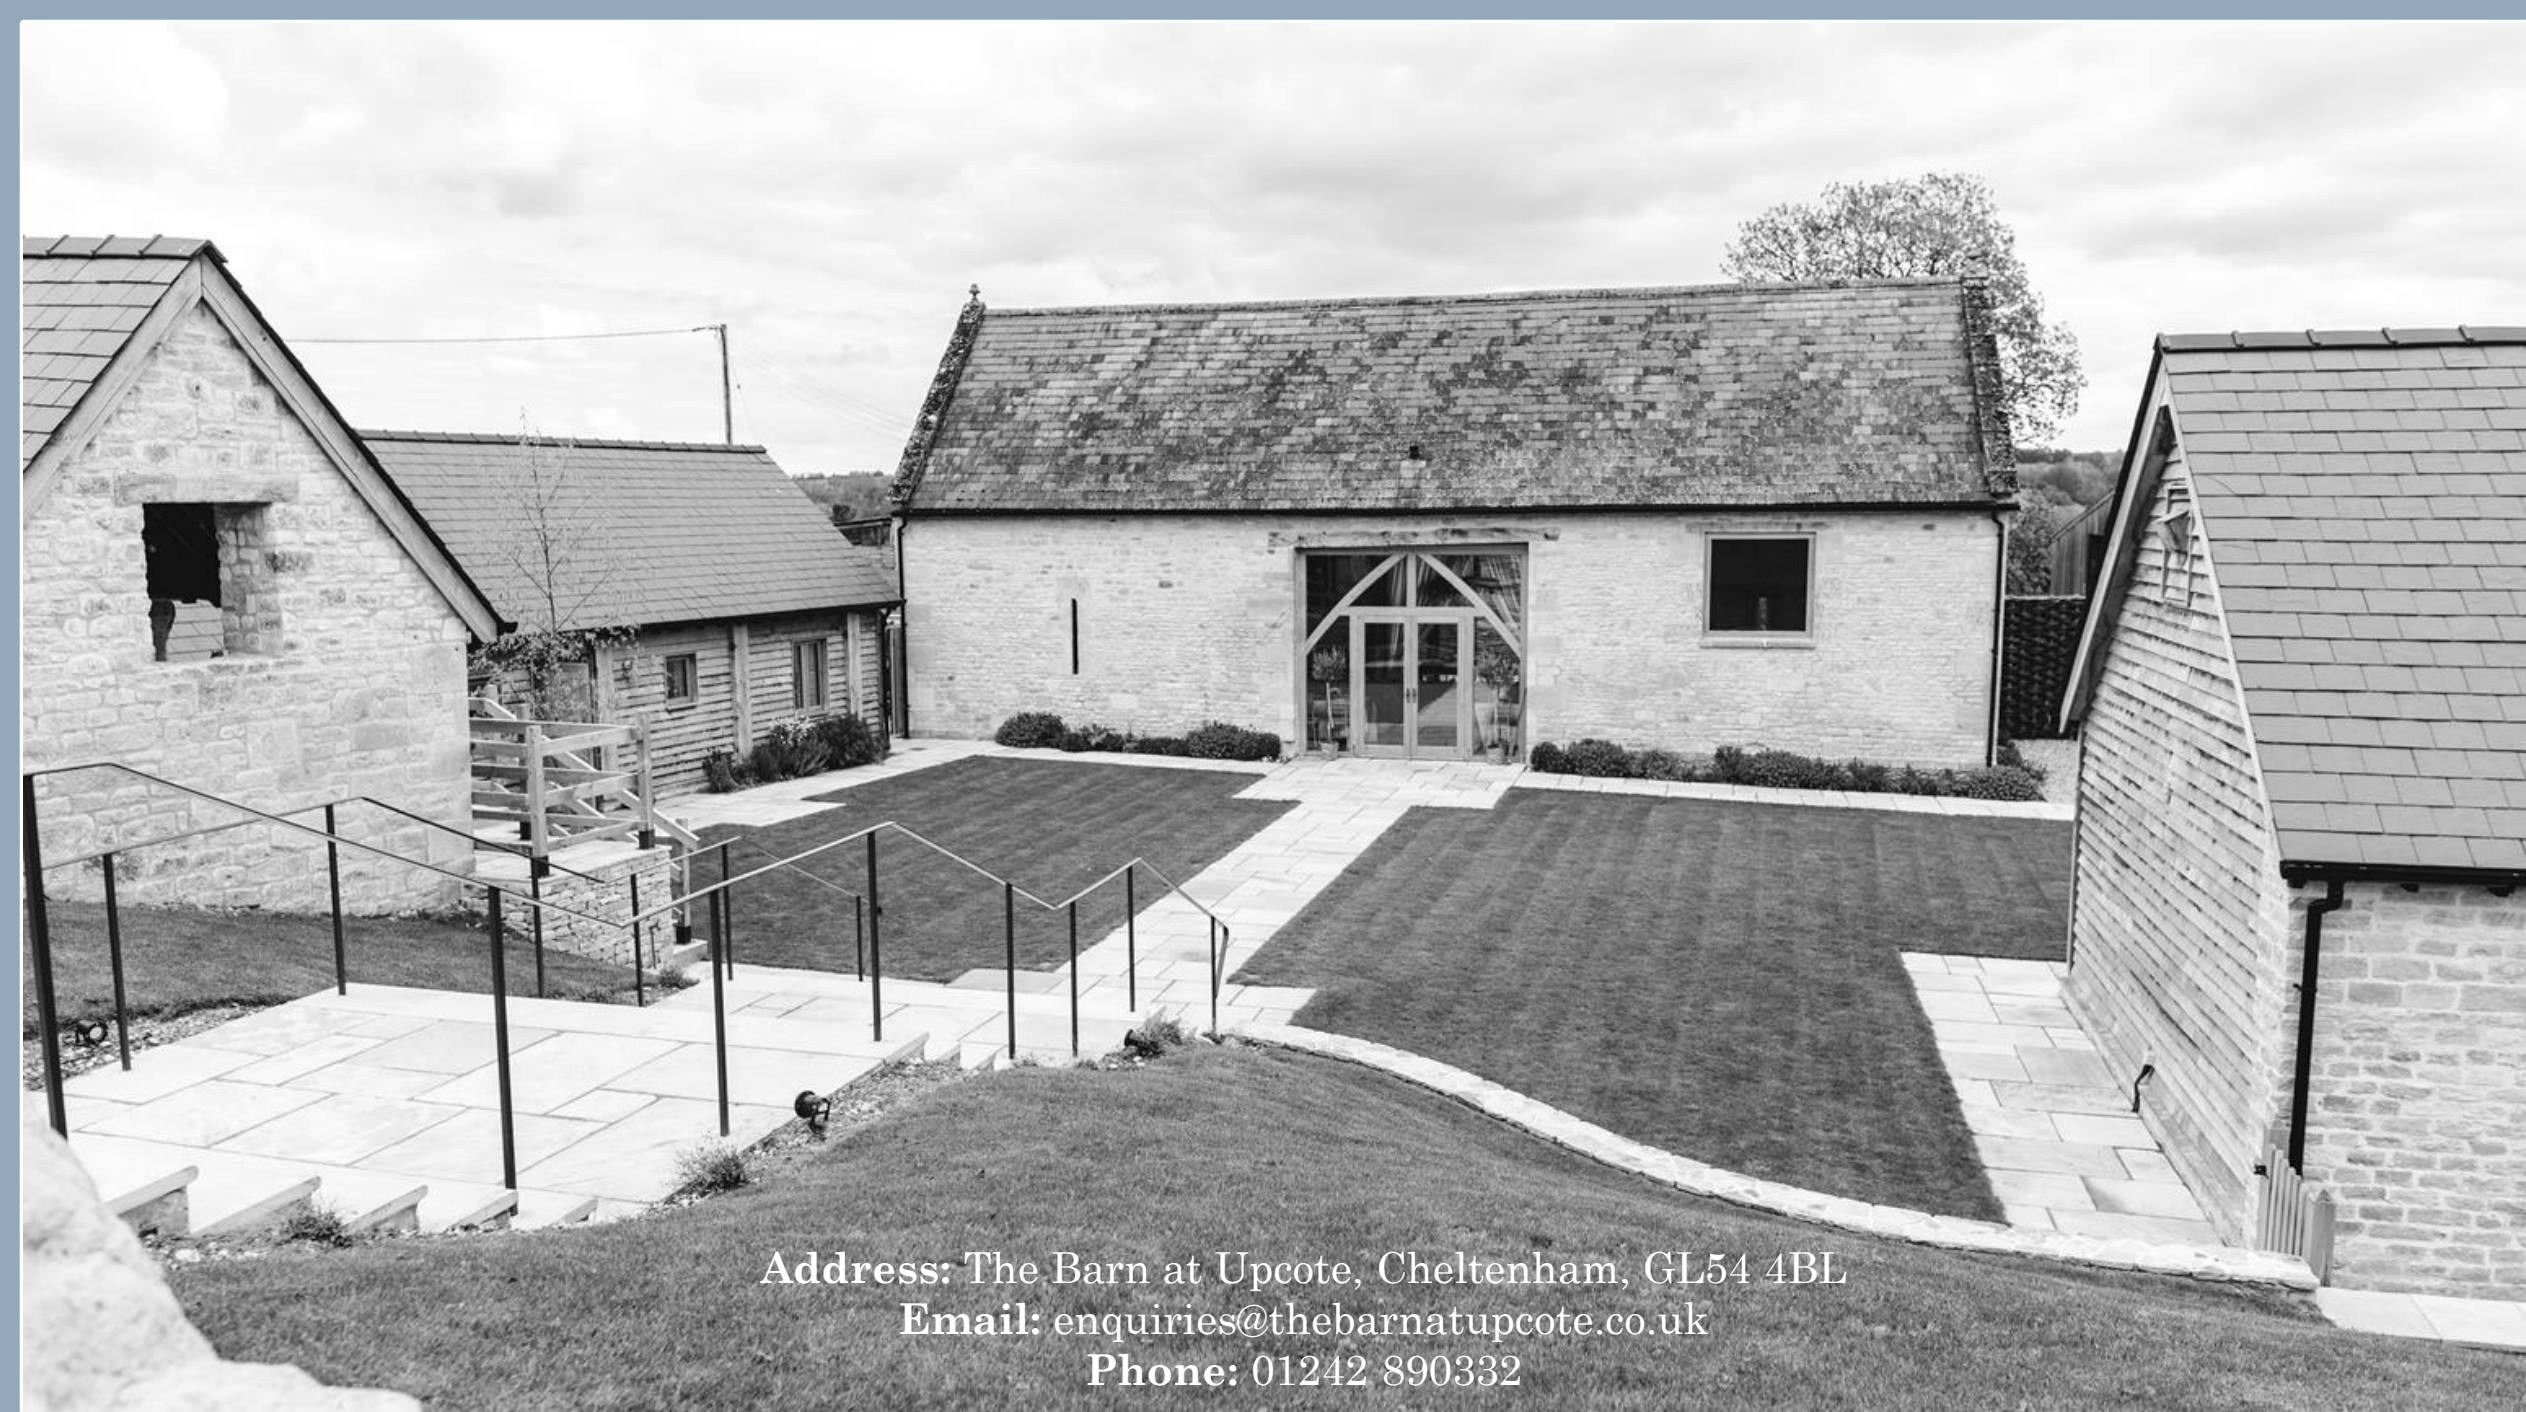

Our venue hire rates depend on the month and day of the week, and currently range from £2,500 to £5,600 (including VAT) with the highest rate applying to Saturdays in August 2019.

For late availability rates or our midweek package, please contact us for further details.

These rates cover the following:

- Exclusive use of all of the Barns
- Ceremony set up
- Use of Bridal suite on the day and night of the Wedding, with a continental breakfast
- Tables and chairs to seat up to 100 guests, using either trestle tables or round tables
- Bar staff and fully stocked cash/card bar
- VAT
