Magical intimate occasions for wanderlust couples

The Amulet Weddings and Events Team have experience designing and planning beautiful weddings across Northamptonshire, Cambridgeshire and Bedfordshire. Based in-between the historical towns of Stamford & Oundle & close to Rutland, we have worked in an array of amazing venues, from barns and farms, to stately homes and country mansions.

Where would you like to go?

With a decade of experience planning and implementing unforgettable events in the UK and beyond, Nadia started Amulet Weddings & Events having fallen in love with some of the truly stunning wedding locations that Europe has to offer.

Amulet Weddings & Events are experts in organising enchanting, intimate occasions across the UK for wanderlust couples with a love of nature's romance & mystery.

Weddings with a difference

Working with only the very best, handpicked suppliers in each destination, Nadia is dedicated to creating weddings that are a true extension of your personality. You can relax knowing that every last detail is in safe hands – Nadia takes pride in making your most special moments totally effortless.

Whether you're looking for a luxury country house celebration, or a city escape, and no matter how far along your wedding planning journey you are, we would love to hear from you.

Let's start making those dreams a reality!

Let's get to know each other...

An Amulet is a precious object that has the power to protect and bring good fortune, and it really sums up what I want to bring to each of my couples. Taking care of every last detail of the most important day of your life is an enormous privilege, and as well as bringing my creativity to the table, I also want to make sure that you feel looked after.

I'm a spiritual person and a true nature lover. I'm not ashamed to say that I'm in love with love. The celebration of marriage should be an expression of who you are and the moments that take your breath away; watching two people in love starting their marriage adventure together is something I hold very dear.

I love to explore new places, and have made some incredible memories travelling around Europe. I've been lucky enough to experience diving in freezing waters under the stars, watching whales breaking the surface of the waves, and waking up in Iceland to see the sky lit by the smoky greens and pinks of the northern lights.

My aim is for you to be able to have these sorts of breath-taking moments at your Destination Wedding, safe in the knowledge that absolutely every detail is taken care of.

When I'm not arranging fabulous events, travelling, or meeting with my trusted suppliers I can usually be found at home with my wonderful husband and little girl Aurora, playing the piano, getting lost in a good book or walking with my hyper dog Buddy.

Lovely words from lovely people

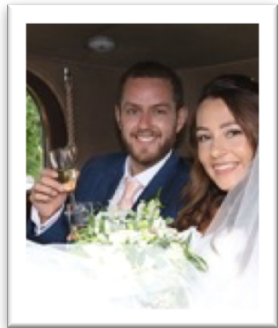

From start to finish our wedding was planned to complete perfection. Nadia's creative eye, organisational skills and budgeting advice helped us to achieve everything we wanted for our special day.
Alice & Tom, Bride & Groom - August 2017

Nadia was perfect in every way. No task was ever too much and she handled the last minute hurdles that were thrown at her during the entire weekend. We could comfortably focus on spending time with our guests and getting ready for the big day knowing that Nadia had everything under control.

Lucy & Cameron, Bride & Groom - July 2017

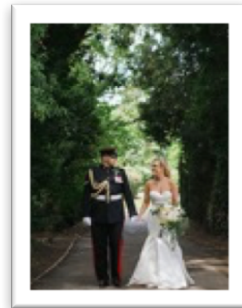

There are truly not enough words to express how amazing Nadia was on our wedding day. She ensured that every moment was perfect and stress free. Nadia's professionalism and eye for detail is amazing. We could not have asked for a better wedding planner!!
Sian & Tom, Bride & Groom - July 2017

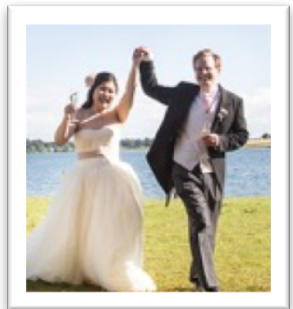

Nadia was on the ball and anything that cropped up was dealt with in a discrete and timely manner, one of the problems I didn't even know about until the next day that is a testament to her professionalism.

I would highly recommend Nadia for any future events.
Georgie & Craig, Bride & Groom - July 2017

Nadia has been absolutely fantastic in making our wedding day so amazing...When we had hiccups along the way, she always came up with sensible solutions and was able to help sort things out for us. Our only regret is that we didn't hire her right from the start of our wedding planning.
Karen & Andy, Bride & Groom - July 2016
