## WELCOME

HELLO

Congratulations! Planning your wedding can be great fun. Finding a photographer whose style you love and can work with is important.

Having recently been married myself I know the importance of getting the right people to make your day perfect. I will work with you and your other suppliers to ensure that your day is captured and documented seamlessly. Your wedding photography is as important to me as it is to you.

## CLIENT SPOTLIGHT

— SUZI & DAVID —

*We would like to say a huge thank you to Chanon for doing such a fantastic job of photographing our wedding day. We were both a bit nervous about having our pictures taken throughout the day, but she made us feel completely at ease and made it enjoyable. We absolutely loved how Chanon captured every single detail and moment of our wedding. Looking at the photos from beginning to end tells the story of our special day and each picture brings back a memory which we will be able to treasure forever.*

## ABOUT ME

HELLO

I am Chanon and I am a 3rd generation photographer and have been a photographer my whole life. I am one of those odd people who know what I wanted to do long before I finished school in my home country of Canada. I have worked with some amazingly talented photographers in the fashion and commercial world and even spent a number of years working on the elite Photographic Unit of the Metropolitan Police.

I offer you 20+ years photography experience, over 15 years in wedding photography, an amazing experience and truly beautiful photographs you will treasure forever.

I have covered weddings in the United Kingdom, Europe, Canada and beyond. I look forward to hearing more about you and your wedding plans soon!

## QUESTIONS

---

ANSWERS

---

### How do we book?

To secure your date a £500 non-refundable booking fee is required, this is deducted from your final bill which is due 30 days before your wedding.

### How soon will we get our photographs?

I generally have them to you by the time you return from honeymoon but generally during peak season no longer than 4 weeks as a rule.

### How many photographs will I get?

That really depends on how long your day is how much there is happening and how much time we get to take photographs but as a rule you get between 500-800 for full day coverage.

### What happens if you are ill or unable to cover our day?

I would love to say I can guarantee 100% I will be there but no one can. We just never know what life will throw at us, but I can assure you that it would take a very serious injury or exceptional circumstances for me not to attend. I have a more than competent assistant/second shooter Jayne who would have been with me for some collections so she would then step up and I would arrange for one of the many other professional photographers in my network whom I shoot for as well to assist. I can assure you, you will have a photographer!

If you have any other questions than feel free to get in touch. Call me on 07768 078 088 or drop me an email at [info@cvphoto.co.uk](mailto:info@cvphoto.co.uk)

A bride and groom are captured in a romantic moment, kissing on a wide gravel path that stretches into the distance. The bride is wearing a white lace wedding dress with a long veil, and the groom is in a dark suit with a boutonniere. The path is flanked by green grass and trees, with a blurred background suggesting a golf course setting. The overall mood is serene and elegant.
