

Hello my name is Lisa and I am a

fun-loving

celebrant who really pays attention to all those little details that will make your ceremony perfect.

Connection

It is really important to me that I have a great connection with my couples.

I love chatting and getting to know you and what makes you tick. It gives me the opportunity to dig deep into what is really important to you both, not just for your special day but for you as individuals who are coming together to celebrate your love for one another.

There for what YOU need

I've been told that whilst I'm bubbly and fun-loving, I also put people at ease. This helps us collectively as the more open you are with me, the better I can serve you. It's not just about the ceremony, it's about the two of you.

I really want to be there for whatever you need leading up to the day and especially on the big day itself.

Why choose me as your celebrant?

We are going to have lots of fun working together on your ceremony. I love laughing and bringing happiness to people. It makes me feel so amazing and I want you to feel that way too. You can expect 110% dedication, inspiration and individuality from me. No one else will have a ceremony like yours. Your ceremony can be held in a gorgeous venue, their beautiful grounds, a beach, a mountainside, woodlands even a castle, it really is your choice.

That's not it though. There is a **free** 15 *I do's and I don'ts* cheat sheet on planning your wedding, just for you. Add your email address and I'll send it straight away.

Wishing you lots of Love and Fun.

Bye for now
