Bar Hire Costs

A guide to mobile bar hire costs 2018/19

Booking fees

Booking fees for our horse box bar are £150.00, and £100.00 for our mobile bars (pallet, barrel & crate bar). Booking fees are to cover things such as saving your date, licensing, staffing and glassware hire.

Hire Fees

We charge NO additional hire fees for our services, and we NEVER charge a minimum spend. The only additional fees would be for OPTIONAL drinks packages, and if you opted for a host bar rather than cash bar.

Optional Drink Packages

We offer a wide range of drinks packages for your event, these packages are for things such as arrival drinks, wine for the table or fizz for toasting. There is no obligation to have any packages on top of our fully stocked bar hire.

Why Chose Us?

We strongly believe in creating a unique and bespoke bar hire experience for each of our customers. We also supply free of charge things like, garden games, Bedouin stretch tents for bespoke seating areas, and free menu personalisation. We have a keen eye for the fine details and nothing will be too much trouble for us.
