

Dear bride to be,

Firstly congratulations! Thank you for taking the time to consider me to make you up on your big day.

I am based in Cirencester, Gloucestershire and I am fully happy to travel up to 20 miles to you on your wedding morning at no cost. Any weddings out of my catchment area, I will still travel to you but I charge £1 per mile on any additional mileage.

I love collaborating with brides to enhance their natural beauty and express who they want to be on their big day. I have a team of wonderful and talented assistants to ensure that all of your beautiful bridesmaids and mums are seen to individually.

I know that hair & make-up is a very personal thing so my aim is to create a bespoke look for your wedding day that fits your likes, needs and personality whilst enhancing all of your natural features. No matter what you have in mind, I am here to make you feel like the most beautiful woman in the world on your big day.

After 6 years of photoshoots, catwalks and brides I know a thing or two about photographic makeup. All my products are optimised for photography and look flawless in the flesh. Don't worry, they are high quality, waterproof, smudge proof and will last all day, even if you shed some happy tears!

If you want to proceed, first of all is a consultation. This is where we have a chat via email, phone or in person about your wedding and your requirements. I then personalise a quote for you for your day and answer any questions you may have for me.

Next is your trial day, where we will trial your hair and makeup for your wedding day. This will take place, unless otherwise agreed, at my little home studio in Cirencester. All hair and makeup looks I create are bespoke, meaning that I customise products, colours and styles to you working with your features. Once you are happy and loving your look we take some photos and you can walk out feeling amazing! Please allow full 2 hours for hair/makeup only trials and 3 full hours for hair and makeup trials.

Leading up to the wedding day, I will create a morning timetable for you and your bridal party so that you all know where to be at what time on the morning of your day and send this over to you. On the morning of your wedding day I will arrive with my full kit and any assistants necessary for your day, all ready to create your bespoke bridal look. You can sit back, relax with your bridesmaids and know you're in good hands.

That's all for now, if you have any further questions please do ask away! I can't wait to chat with you further about your special day.

Best wishes,
Alice x

"Alice made me feel like a princess on my special day. I never thought I could look so beautiful but somehow she managed the unthinkable! I felt truly amazing and that was all thanks to the wonderful Alice. She gave me so much confidence and I honestly can't thank her enough! On the morning of my wedding Alice and her assistant joined in on the laughs, the singing and made us all feel at ease. I honestly would recommend Alice to everyone and I will be! "I first met Alice when she did my trial, I was delighted by her bubbly nature and she told me about her wealth of experience.. that put me at ease as I'm someone who has never had hair or makeup done professionally before. Alice listened to what I wanted and gave me her ideas and I loved the outcome. On the morning of the wedding, I was nervous but Alice helped put me at ease by chatting and making me laugh. My hair was exactly how I wanted it and my makeup was perfect (came out amazing in the photos too) and lasted right till the end!! Thank you so much Alice!"

Totally recommended 5 stars plus!!!! Alice is so lovely and down to earth she was so helpful giving her thoughts on what suited everyone and nobody was disappointed with the work... 🥰 I felt like amazing all day and everything was perfect. She listened to what I asked for in my trial and even bought me a bump to create the look I wanted. Words can not describe how amazing we all felt with our hair and make up. You and Bethany were fab from start to finish... I had the most perfect day and everyone commented on how beautiful bridesmaids and I looked. You are truly amazing and so so talented!!!! I would recommend Alice to everyone I felt totally chilled and when I started to panic Alice calmed me down. Even made sure I ate!!! Not enough stars to rate how made up I was and all the other 6 guests whose hair and make up you did.... I am truly great full and wish you the best of luck... you are amazing xxxxx
