We can accommodate anything from 20 to 500 guests and both of our historic hotels are in the heart of London, making it really easy for everyone to get to you.

So have a look through this brochure and at the end, you'll find the contact details of the event planner we've selected to take care of you. We'll be there for whatever you need, whenever you need it.

**Hold your wedding in the heart of London, with stunning views of landmark locations.**

Amba Hotel Charing Cross sits alongside Eleanor's Cross – the most central point in London, and just a stone's throw from Trafalgar Square and Covent Garden. Or, choose Amba Hotel Marble Arch, only a five-minute walk from the magnificent Hyde Park, ideal for group photos.

Both hotels are conveniently located within walking distance to Zone 1 transport hubs, so your guests won't have to travel far to celebrate the big day.

We offer a personally tailored service designed to compliment your taste and style.
