Any amendments to the final event synopsis after the final 6-8 week meeting, must be made in writing and replied by a member of the events team to confirm changes have been received.

### Accommodations

We recommend provisionally reserving as many rooms as you think you will require for your Wedding night and night prior – it is your responsibility to provisionally book these rooms to avoid disappointment at a later stage, our rooms are on general sale at all points.

Ensure your priority guests/immediate family have a name against a room as soon as you possibly can, ask them to make contact with the hotel to pay their 25% deposit which confirms their reservation, all other guests can then make contact to book their room from your group on a first come first served basis.
